About NRG Energy and its affiliate, Reliant Energy

NRG Energy, Inc., (NYSE: NRG) a Fortune 500 and S&P 500 Index company, owns and operates one of the country's largest and most diverse power generation portfolios. Headquartered in Princeton, NJ, the Company's power plants provide nearly 26,000 megawatts of generation capacity--enough to supply more than 20 million homes. With investments in solar, wind and nuclear power, as well as electric vehicle infrastructure, NRG is working to help America's transition to a clean energy economy. The company recently launched eVgo, the nation's first privately funded, comprehensive electric vehicle ecosystem. Reliant Energy is part of NRG, providing electricity and energy services to more than 1.5 million retail customers and bringing the benefits of smart energy technology to its customers.
