

NRG Energy, Inc. Upsizes and Prices Senior Notes Offering

July 19, 2016

PRINCETON, N.J.--(BUSINESS WIRE)--Jul. 19, 2016-- NRG Energy, Inc. (NYSE:NRG) has priced its offering of \$1,250 million in aggregate principal amount (an increase of \$250 million over the amount previously announced) of 6.625% senior notes due 2027 (the "New Notes"). The New Notes will be senior unsecured obligations of NRG and will be guaranteed by certain of its subsidiaries.

The New Notes mature on January 15, 2027. The offering is expected to close on August 2, 2016, subject to customary conditions.

NRG intends to use the net proceeds from the offering, together with cash on hand, to redeem all of its outstanding 8.25% senior notes due 2020 (the "2020 Notes") and a portion of its outstanding 7.875% senior notes due 2021 (the "2021 Notes") in accordance with their terms and to pay fees and expenses related to the offering of the New Notes and incurred in connection with the redemption of the 2020 Notes and the 2021 Notes.

The New Notes and related guarantees are being offered only to qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the "Securities Act") or, outside the United States, to persons other than "U.S. persons" in compliance with Regulation S under the Securities Act. The notes and related guarantees have not been registered under the Securities Act or the securities laws of any other jurisdiction and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This notice is issued pursuant to Rule 135c of the Securities Act, and does not constitute an offer to sell the notes, nor a solicitation for an offer to purchase the notes.
