

## NRG Energy, Inc. Announces Quarterly Dividend

October 19, 2016

PRINCETON, N.J.--(BUSINESS WIRE)--Oct. 19, 2016-- NRG Energy, Inc. (NYSE:NRG) today announced that its Board of Directors declared a quarterly dividend on the Company's common stock of \$0.03 per share, or \$0.12 per share on an annualized basis. The dividend is payable on November 15, 2016 to stockholders of record as of November 1, 2016.

### About NRG

NRG is the leading integrated power company in the U.S., built on the strength of the nation's largest and most diverse competitive electric generation portfolio and leading retail electricity platform. A Fortune 200 company, NRG creates value through best in class operations, reliable and efficient electric generation, and a retail platform serving residential and commercial businesses. Working with electricity customers, large and small, we continually innovate, embrace and implement sustainable solutions for producing and managing energy. We aim to be pioneers in developing smarter energy choices and delivering exceptional service as our retail electricity providers serve almost 3 million residential and commercial customers throughout the country. ### Safe Harbor

This communication contains forward-looking statements that may state NRG's or its management's intentions, beliefs, expectations or predictions for the future. Such forward-looking statements are subject to certain risks, uncertainties and assumptions, and typically can be identified by the use of words such as "will," "expect," "estimate," "anticipate," "forecast," "plan," "believe" and similar terms. Although NRG believes that its expectations are reasonable, it can give no assurance that these expectations will prove to have been correct, and actual results may vary materially. Factors that could cause actual results to differ materially from those contemplated above include, among others, risks and uncertainties related to the capital markets generally.
