

NRG Energy, Inc. Announces Cash Tender Offer for Any and All of Its Outstanding 6.625% Senior Notes Due 2023

November 9, 2017

PRINCETON, N.J.--(BUSINESS WIRE)--Nov. 9, 2017-- NRG Energy, Inc. (NYSE:NRG) announced that it has commenced a tender offer to purchase any and all of the approximately \$869.2 million outstanding aggregate principal amount of its 6.625% senior notes due 2023 (the "2023 Notes") through a cash tender offer with the net proceeds from NRG's concurrent private placement of \$870 million in aggregate principal amount of senior notes due 2028 (the "New Notes"), which was also announced today by NRG, as well as with cash on hand. The tender offer is being made pursuant to offers to purchase and consent solicitation statements and related letters of transmittal, each dated as of November 9, 2017. The tender offer will expire at 11:59 p.m., New York City time, on December 8, 2017 (as such time and date may be extended, the "expiration date").

In connection with the tender offer, NRG is soliciting the consents of holders of the 2023 Notes to certain proposed amendments to the indentures governing the 2023 Notes (the "indentures"). The primary purpose of the consent solicitation and proposed amendments is to eliminate substantially all of the restrictive covenants and certain events of default and related provisions, and to reduce the notice period required for optional redemption of the 2023 Notes. NRG intends to redeem any 2023 Notes that remain outstanding after the expiration of the tender offer as promptly as practicable after the expiration date in accordance with the terms of the applicable indenture, as such indentures are amended pursuant to the proposed amendments.

Under the terms of the tender offer, holders of the 2023 Notes that validly tender and do not validly withdraw their 2023 Notes and consents prior to 5:00 p.m. New York City time on November 24, 2017 (as such time and date may be extended, the "consent date") will receive the "total consideration" of \$1,036.25 per \$1,000 principal amount of notes, which includes the consent payment of \$30.00 per \$1,000 principal amount of notes, plus an amount equal to any accrued and unpaid interest up to, but not including, the initial payment date. Holders of the 2023 Notes that validly tender their 2023 Notes after the consent date but on or before the expiration date will receive only the "tender offer consideration" of \$1,006.25 per \$1,000 principal amount of notes, plus an amount equal to any accrued and unpaid interest up to, but not including, the final payment date. Holders of notes tendered after the consent date will not receive the consent payment.

This press release does not constitute a notice of redemption under the optional redemption provisions of the indentures governing the 2023 Notes, nor does it constitute an offer to sell, or a solicitation of an offer to buy, any security, including the New Notes, nor does it constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale is unlawful.

The tender offer is contingent upon the satisfaction of certain conditions, including the condition that NRG shall have raised at least \$870 million in gross proceeds from the offering of the New Notes on or prior to the initial payment date. Adoption of the proposed amendments is not a condition to the obligation of NRG to purchase the 2023 Notes under the tender offer. Full details of the terms and conditions of the tender offer and consent solicitation are included in NRG's offers to purchase and consent solicitation statements, dated November 9, 2017.

Requests for documents relating to the tender offer and consent solicitation may be directed to D.F. King & Co., Inc., the Information Agent, at (800) 269-6427 (Toll-Free) or (212) 269-5550.
