CALCULATION OF FILING FEE

Transaction Valuation⁽¹⁾

Amount of Filing Fee⁽²⁾

\$6,813,251,397.96

\$275,439.96

- (1) The transaction value is estimated solely for purposes of calculating the filing fee pursuant to Rule 0-11(d). The value of the transaction was calculated as the product of (i) 289,187,241 (the sum of (a) 265,226,865 shares of NRG Energy, Inc. common stock, par value \$0.01 per share ("NRG common stock") outstanding as of June 15, 2009 (as reported in the definitive proxy statement on Schedule 14A filed by NRG Energy, Inc. ("NRG") in connection with its 2009 annual meeting of stockholders (the "NRG Proxy Statement")), (b) 6,650,080 shares of NRG common stock issuable upon the exercise of options, warrants and

rights outstanding as of June 15, 2009 (as reported in the NRG Proxy Statement), (c) 20,989,500 shares of NRG common stock issuable upon the conversion of shares of NRG 4.0% preferred stock outstanding as of June 15, 2009 (based on the number of shares of NRG 4.0% preferred stock outstanding reported in the NRG Proxy Statement) and (d) 8,321,796 shares of NRG common stock issuable upon the exercise or vesting of other equity awards outstanding as of June 15, 2009 (as reported in the NRG Proxy Statement), less the sum of (x) 1,000 shares of NRG common stock owned in the aggregate by Exelon Corporation and Exelon Xchange Corporation and (y) 12,000,000 shares of NRG common stock lent by subsidiaries of NRG to affiliates of Credit Suisse Group) and (ii) the average of the high and low sales prices of NRG common stock as reported on the New York Stock Exchange on June 26, 2009 (\$23.56).

- (2) Exelon previously paid a filing fee of \$249,470.37 to register 135,201,700 shares of its common stock in connection with the original filing of its Registration Statement on Form S-4 (File No. 333-155278) relating to the Offer (as defined below) on November 12, 2008. Since Exelon paid such filing fee, the filing fee rate increased from \$39.30 per \$1,000,000 of the estimated transaction value to \$55.80 per \$1,000,000 of the estimated transaction value. The filing fee set forth in the table above consists of (a) \$39.30 per \$1,000,000 of the first \$6,347,846,550.50 of the estimated transaction value and (b) \$55.80 per \$1,000,000 of the amount by which the estimated transaction value set forth in the table above exceeds \$6,347,846,550.50.

Check the box if any part of the fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.

Items 1 through 11.

This Amendment No. 41 to Tender Offer Statement on Schedule TO (as amended, the “Schedule TO”) amends and supplements the statement originally filed on November 12, 2008 by Exelon Corporation, a Pennsylvania corporation (“Exelon”), and Exelon Xchange Corporation, a Delaware corporation and a direct wholly-owned subsidiary of Exelon (“Exelon Xchange”). This Schedule TO relates to the offer by Exelon, through Exelon Xchange, to exchange for each of the issued and outstanding shares of common stock, par value \$0.01 per share (the “NRG common stock”), of NRG Energy, Inc., a Delaware corporation (“NRG”), 0.545 of a share of Exelon common stock, without par value (the “Exelon common stock”). The Offer (as defined below) is made on the terms and subject to the conditions contained in the prospectus/offer to exchange, dated November 12, 2008, as amended on December 23, 2008, January 23, 2009, March 9, 2009 and May 20, 2009, and related to the Offer (the “Prospectus”), and in the related Letter of Transmittal (which, together as they may be amended, supplemented or modified from time to time, constitute the “Offer”). Exelon also filed a registration statement on Form S-4 (File No. 333-155278) (the “Registration Statement”) on November 12, 2008, as amended on December 23, 2008, January 23, 2009, March 9, 2009 and May 20, 2009, relating to the Offer, of which the Prospectus forms a part. The terms and conditions of the Offer are set forth in the Prospectus and the related Letter of Transmittal, which are set forth as Exhibits (a)(4) and (a)(1)(A) hereto, respectively.

All information contained in the Prospectus and the Letter of Transmittal, and any prospectus supplement or any other supplement thereto related to the Offer, is hereby expressly incorporated herein by reference with respect to Items 1 through 11, except that such information is amended and supplemented to the extent specifically provided herein.

Exelon terminated the Offer on July 21, 2009. As of 5:00 p.m. New York City time on July 20, 2009, 11,233,115 shares of NRG common stock were tendered into the Offer, which represented over 4% of the outstanding shares of NRG common stock. Exelon has withdrawn the Offer and will not accept any shares of NRG common stock tendered in the Offer. Exelon has instructed the exchange agent to promptly return all shares of NRG common stock to the tendering stockholders.

On July 21, 2009, Exelon and Exelon Xchange terminated the Offer because a number of conditions to the Offer had not been satisfied, including conditions that were not capable of being satisfied prior to the August 21, 2009 expiration date. Under the terms of the Offer, Exelon and Exelon Xchange were entitled to terminate the offer at “any time” if any of the conditions had not been satisfied. As of July 21, 2009, none of the following conditions were satisfied: the regulatory approval condition, the minimum tender condition, the registration statement condition, the Section 203 condition, the preferred stock condition or the shareholder approval condition. Among other conditions, the regulatory approval condition was not capable of being satisfied prior to the August 21, 2009 expiration date. Hearings by the applicable regulatory authorities to consider Exelon’s request for certain of the required regulatory approvals were scheduled to occur after August 21, 2009 and, therefore, such approvals could not be obtained prior to August 21. Specifically, hearings with respect to the required approval by the Pennsylvania Public Utility Commission were scheduled for September 2 through 4, 2009 and hearings with respect to the required approval by the Public Utility Commission of Texas were scheduled for October 15, 2009.
