Item 1.01. Entry into a Material Definitive Agreement.

On July 26, 2022, NRG Receivables LLC (“NRG Receivables”), an indirect wholly-owned subsidiary of NRG Energy, Inc. (the “Company”), amended its accounts receivable securitized borrowing facility (the “Receivables Facility”) to, among other things, (i) extend the scheduled termination date by one year, (ii) increase the aggregate commitments from \$800 million to \$1 billion, (iii) increase the letter of credit sublimit to equal the aggregate commitments, (iv) replace LIBOR with Term SOFR as the benchmark for borrowings and (v) add new originators. The Receivables Facility includes a receivables loan and servicing agreement and a receivables sale agreement, and these amendments were effected pursuant to those agreements, as described below.

On July 26, 2022, NRG Receivables, as Borrower, NRG Retail, LLC (“NRG Retail”) individually and as Servicer, Royal Bank of Canada, as Administrative Agent, and the conduit lenders, committed lenders, LC Issuers and facility agents described therein entered into Amendment No. 2 (the “Receivables Loan Agreement Amendment”) to the Receivables Loan and Servicing Agreement, dated as of September 22, 2020, as previously amended by Amendment No. 1 to the Receivables Loan and Servicing Agreement, dated as of July 26, 2021 (as amended, the “Receivables Loan Agreement”). Pursuant to the Receivables Loan Agreement Amendment, NRG Receivables may borrow up to \$1 billion outstanding (adjusted seasonally), of which up to \$1 billion (adjusted seasonally) may be in the form of letters of credit issued by the LC Issuers for the benefit of certain subsidiaries of the Company party to the Receivables Sale Agreement (defined below) (such subsidiaries, the “Originators”) or their affiliates, based on the availability of eligible receivables and other customary factors. The Receivables Loan Agreement Amendment also replaced LIBOR with Term SOFR as the benchmark for borrowings under the Receivables Facility and extended the scheduled termination date of the Receivables Facility by one year to July 26, 2023.

Also on July 26, 2022, Direct Energy, LP and Direct Energy Business, LLC (collectively in their capacity as additional originators, the “Additional Originators”) each entered into a Joinder Agreement (collectively, the “Joinder Agreements”) to join as Additional Originators to the Receivables Sale Agreement, dated as of September 22, 2020, among Green Mountain Energy Company, Reliant Energy Northeast LLC, Reliant Energy Retail Services, LLC, Stream SPE, Ltd., US Retailers LLC and Xoom Energy Texas, LLC, as Originators, NRG Retail, as the Servicer, and NRG Receivables (the “Receivables Sale Agreement”). Pursuant to the Joinder Agreements, the Additional Originators agree to be bound by the terms of the Receivables Sale Agreement, will sell to NRG Receivables substantially all of their receivables for the sale of electricity, natural gas and/or related services and certain related rights (collectively, the “Receivables”) and in connection therewith have transferred to NRG Receivables the deposit accounts into which the proceeds of such Receivables are paid.

In addition, in connection with the amendments to the Receivables Facility, NRG Retail and the Originators renewed the existing repurchase facility (the “Repurchase Facility”) that provides short-term financing secured by a subordinated note issued by NRG Receivables to, among other things, extend the maturity date to July 26, 2023 and join the Additional Originators to the Repurchase Facility.

The foregoing description of the Receivables Loan Agreement Amendment, the Joinder Agreements and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the full text of such agreements, copies of which are filed as Exhibits 10.1, 10.2 and 10.3 to this Current Report on Form 8-K and are incorporated herein by reference.

For administrative convenience, the Borrower may instruct Assignee Lender Groups to fund the foregoing Loans by paying the proceeds thereof directly to the Assigning Lender Groups as the foregoing reduction in the Principal Balance owing to the Assigning Lending Groups on the Borrower's behalf and such Assignee Lender Groups shall fund such rebalancing Loans to the Assigning Lender Groups regardless of whether the conditions precedent to a Loan set forth in Section 3.02 or otherwise in this Agreement are satisfied. Each Non-Seasonal Reduction shall reduce each Lender Group Limit hereunder ratably in accordance with their respective Lender Group Percentages. Following any Non-Seasonal Reduction, (x) the Facility Limit shall be reduced in accordance with Schedule I for any subsequent Period for which the Commitments are to be reduced as set forth in Schedule I and (y) the Facility Limit shall not be increased in any subsequent Period, notwithstanding that Schedule I sets forth an increase in Commitments for such Period.

(d) Committed Lender's Commitment.

(i) If a Conduit Lender chooses not to fund a Loan or a Reimbursement Borrowing under Section 2.04, its ratable share of the Loan or the Reimbursement Borrowing (in accordance with its Lender Group Percentage) shall be funded by the related Committed Lenders in its Lender Group.

(ii) The obligations of any Committed Lender to make Loans and fund Reimbursement Obligations hereunder are several from the obligations of any other Committed Lenders. The failure of any Committed Lender to make Loans or to fund Reimbursement Borrowings hereunder shall not release the obligations of any other Committed Lender to make Loans or to fund Reimbursement Borrowings hereunder, but no Committed Lender shall be responsible for the failure of any other Committed Lender to make any Loan or to fund a Reimbursement Borrowing hereunder.

SECTION 2.02. Borrowing Procedures.

With respect to each calculation of the Borrowing Base, the Total Reserve Amount used in such calculation shall be measured using the information reported in the most recent Monthly Report.

(b) Allocation of Interest Rates. Subject to the requirements set forth in this Agreement, the Administrative Agent and the Facility Agents shall from time to time, only for purposes of computing Interest with respect to each Lender, account for such Lender’s portion of the Aggregate Principal Balance in terms of one or more portions (or tranches), and the applicable Interest Rate may be different for each portion of such Aggregate Principal Balance. Each Lender’s Loans shall be allocated to each portion of the Aggregate Principal Balance by the Administrative Agent or the applicable Facility Agent to reflect the funding sources for each such portion of such Loan, so that:

(i) there will be an Interest Rate for the portion of Aggregate Principal Balance funded or maintained through the issuance of Commercial Paper Notes; and

(ii) there will be an Interest Rate for the portion of Aggregate Principal Balance not funded or maintained through the issuance of Commercial Paper Notes (including by outstanding Liquidity Advances or by funding under any Program Support Agreement);

Each Letter of Credit issued or modified in connection with an LC Credit Extension or otherwise shall comply with the provisions of Section 2.04 and the related Letter of Credit Application. The Borrower shall have the right to give instructions and make agreements with respect to any Letter of Credit Application and the disposition of documents, and to agree with Administrative Agent, the applicable Facility Agent and the applicable LC Issuer upon any amendment, extension or renewal of any Letter of Credit. In no event shall an LC Issuer be obligated to issue a modification in respect of a Letter of Credit if, on the proposed Modification Date, the applicable LC Issuer would not be obligated to issue new Letters of Credit under the terms hereof if requested or if the beneficiary does not consent to the proposed terms of the modification.

(c) LC Credit Extensions. The related Facility Agent for an LC Issuer shall promptly notify such LC Issuer and Lenders in its Lender Group of the request by the Borrower for an LC Credit Extension hereunder, and shall provide the related LC Issuer with the applicable Letter of Credit Application delivered to Administrative Agent and the applicable Facility Agent by the Borrower pursuant to clause (b) above, by the close of business on the day received or if received on a day that is not a Business Day or on any Business Day after 2:00 p.m. (New York City time) on such day, on the next Business Day.

(d) Participation Commitment. Immediately upon the issuance of each Letter of Credit by an LC Issuer (or an amendment to a Letter of Credit increasing the Stated Amount thereof), the Committed Lenders of each Lender Group shall be deemed to, and hereby irrevocably and unconditionally agree to, purchase from such LC Issuer, a participation in such Letter of Credit (as it may be so amended) and each drawing thereunder in an amount equal to their respective Lender Group Percentages of the Stated Amount of such Letter of Credit and the amount of such drawing, respectively. Such participations in such LC Credit Extensions by each Committed Lender shall constitute an agreement by such Committed Lender to make a Loan under Section 2.02 only in the event that (i) the related Letter of Credit is subsequently drawn upon and (ii) the Conduit Lenders in its Lender Group do not fund the Lender Group Percentage of a Reimbursement Borrowing in connection with such draw. In the event any Letter of Credit expires or is surrendered to the applicable LC Issuer in accordance with its terms without being drawn (in whole or in part) then, in such event, the foregoing obligation of the Committed Lenders to make such Loan in respect of such Letter of Credit shall expire to the extent of the face amount thereof which has expired or been so surrendered.

(e) Issuance of Letters of Credit. (i) Each Letter of Credit shall, among other things, (A) provide for the payment of sight drafts or other written demands for payment when presented for honor thereunder in accordance with the terms thereof and when accompanied by the documents described therein, (B) expire at or prior to the close of business on the date that is one year after the Issuance Date or the Modification Date (if such Letter of Credit has been renewed or extended); provided, however, that in accordance with clause (ii) of this subsection (e), a Letter of Credit may provide for the automatic renewal thereof for additional periods which shall not extend beyond the date that is one year after its then current expiration date; provided, further, that no Letter of Credit may be renewed or extended (automatically or otherwise) on or after the LC Cash Collateral Date, and (C) be in form and substance reasonably acceptable to the applicable LC Issuer in its sole discretion.

(ii) If the Borrower so requests in any applicable Letter of Credit Request or Letter of Credit Application, each LC Issuer may, in its sole discretion, issue a Letter of Credit that has automatic extension provisions (each, an “Auto-Extension Letter of Credit”); provided that any such Auto-Extension Letter of Credit must permit the LC Issuer which issued such Letter of Credit to prevent any such extension at least once in each twelve-month period (commencing with the Issuance Date of such Letter of Credit) by giving prior notice to the beneficiary thereof and the Borrower not later than the Business Day prior to the then-current LC Cash Collateral Date (the “Non-Extension Notice Date”). Unless otherwise directed by an LC Issuer, the Borrower shall not be required to make a specific request to the applicable LC Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the LC Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than one year after the earlier of (x) its then current expiration date and (y) the day before the LC Cash Collateral Date; provided, however, that no LC Issuer shall permit any such extension if (A) such LC Issuer has determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof, or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent, any Lender or any Transaction Party that one or more of the applicable conditions specified in Section 3.02 is not then satisfied and directing such LC Issuer not to permit such extension.

(iii) Each LC Issuer may, at its election, or as directed in writing by the Administrative Agent or any Facility Agent (with a copy to the Administrative Agent), deliver any notices of termination or other communications to any Letter of Credit beneficiary, and take any other action as necessary or appropriate, at any time and from time to time, in order to cause the expiry date of any Auto-Extension Letter of Credit issued by such LC Issuer to be a date not later than one year after the earlier of (x) its then current expiration date and (y) the day before the LC Cash Collateral Date.

(iv) The Borrower hereby authorizes and directs each LC Issuer to name any Originator or any Affiliate of any Originator as designated by an Originator pursuant to the Receivables Sale Agreement and specified to the applicable LC Issuer in the Letter of Credit Request as the “Account Party” of each Letter of Credit.

(f) Letter of Credit Participations; Disbursements, Reimbursement. (i) In the event of any request for a drawing under a Letter of Credit issued by an LC Issuer by the beneficiary thereof, the applicable LC Issuer will promptly notify Administrative Agent, each Facility Agent, the Servicer and the Borrower of such request (the date of such notice, if such notice is delivered prior to 2:00 p.m. (New York City time) or the following Business Day, if such notice is delivered after such time, the “Drawing Date”). Unless (A) the Borrower has notified the LC Issuer, the Administrative Agent and the Facility Agents that it has deposited an amount equal to the Reimbursement Obligations with respect to such drawing in the LC Collateral Account (and the Administrative Agent has confirmed receipt of such funds) or (B) the LC Issuer notifies the Administrative Agent and the Facility Agents that the Borrower has otherwise settled such Reimbursement Obligations to the satisfaction of the LC Issuer, upon the delivery of such notice, the Borrower shall be deemed to have requested that a Loan be made ratably by the Lender Groups on such date with respect to such Letter of Credit in accordance with Section 2.02 (the funding of such Loan, a “Reimbursement Borrowing”). Any notice given pursuant to this Section 2.04(f) may be oral if immediately confirmed in writing by the party giving such notice (or by the Administrative Agent on its behalf following delivery of written confirmation to the Administrative Agent); provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) If a Reimbursement Borrowing has been requested (or deemed requested) pursuant to clause (i) above, the Conduit Lenders may, each at their option, and the related Committed Lenders shall if such Conduit Lenders decline to, make available to the applicable LC Issuer an amount in immediately available funds equal to the related Lender Group Percentage of the amount of such Reimbursement Borrowing. If any Committed Lender so notified fails to (and its related Conduit Lender(s) have elected not to) make available to such LC Issuer the amount of such Lender Group's Lender Group Percentage of the Reimbursement Borrowing by 12 noon (New York City time) on the Drawing Date, the LC Issuer shall be deemed to have made a Participation Advance with respect to such amount, and interest shall accrue on such Participation Advance, from such date to the date on which such LC Issuer is reimbursed at a rate per annum equal to the Base Rate. From and after the Drawing Date on which the Defaulting Committed Lender failed to fund its Lender Group Percentage of the Reimbursement Borrowing, any payment of principal, Interest or other amounts received by the Administrative Agent or the Facility Agent of such Defaulting Committed Lender from the Borrower or the Servicer for the account of any Lender in the Lender Group of such Defaulting Committed Lender, shall be applied, on a pro rata basis, to the repayment of all outstanding Participation Advances that were deemed to have been made in connection with such Defaulting Committed Lender's failure to fund its portion of Reimbursement Borrowings, together with all Interest that has accrued on such outstanding Participation Advances in accordance with this subclause (ii). Each LC Issuer will promptly give notice of the occurrence of a draw on a Letter of Credit affecting it, but failure of an LC Issuer to give any such notice upon such drawing to enable any related Committed Lender to effect such payment on such date shall not relieve any Committed Lender from its obligation under this subclause (ii), provided that such Committed Lender shall not be obligated to pay interest as provided in this subclause (ii) until and commencing from the Drawing Date. Each Committed Lender's obligation under this Section 2.04 shall continue until the occurrence of the Termination Date.

(g) Repayment of Letter of Credit Participation Advances. (i) Upon (and only upon) receipt by an LC Issuer for its account of immediately available funds from the Borrower (A) in reimbursement of any payment made by such LC Issuer under a Letter of Credit with respect to which any Lender has made a payment pursuant to clause (f) above, or (B) in payment of Interest on the Loans made or deemed to have been made in connection with any such draw, the applicable LC Issuer will pay to the applicable Facility Agents, ratably (based on the outstanding drawn amounts funded by each such Lender Group in respect of such Letter of Credit), in the same funds as those received by such LC Issuer; it being understood that such LC Issuer shall retain the ratable amount of such funds that were not the subject of any payment in respect of such Letter of Credit by any Lender.

(ii) If an LC Issuer is required at any time to return to the Borrower, or to a trustee, receiver, liquidator, custodian, or any official in any insolvency proceeding, any portion of the payments made by the Borrower to such LC Issuer pursuant to this Agreement or any Letter of Credit issued by it in reimbursement of a payment made under any such Letter of Credit or interest or fee thereon or with respect thereto, each Facility Agent (on behalf of the Committed Lenders in its Lender Group) shall, on demand of such LC Issuer, instruct the Committed Lenders in its Lender Group to return, and such Committed Lenders shall return, to such LC Issuer the amount of its Lender Group Percentage of any amounts so returned by such LC Issuer plus interest at the Base Rate.

(h) Documentation. The Borrower agrees to be bound by the terms of the applicable Letter of Credit Application and by the applicable LC Issuer's interpretations of any Letter of Credit it issues and by such LC Issuer's written regulations and customary practices relating to Letters of Credit, though the terms of each Letter of Credit Application, each applicable LC Issuer's interpretation of its Letters of Credit and each LC Issuer's regulations and practices may be different from the Borrower's own and from that of another LC Issuer. In the event of a conflict or inconsistency between a Letter of Credit Application and this Agreement, this Agreement shall control. It is understood and agreed that, except in the case of gross negligence or willful misconduct by an LC Issuer, as determined by a final non-applicable judgment of a Court of competent jurisdiction, such LC Issuer shall not be liable for any error, breach, negligence and/or mistakes, whether of omission or commission, in following the Borrower's instructions or those contained in the Letters of Credit issued by it or any modifications, amendments or supplements thereto.

(i) Determination to Honor Drawing Request. In determining whether to honor any request for drawing under any Letter of Credit by the beneficiary thereof, each LC Issuer shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit and that any other drawing condition appearing on the face of such Letter of Credit has been satisfied in the manner so set forth.

(j) Nature of Participation and Reimbursement Obligations. Each Committed Lender's obligation in accordance with this Agreement to fund Reimbursement Borrowings as a result of a drawing under a Letter of Credit issued by the LC Issuer under this Section 2.04 that the Conduit Lender(s) in its Lender Group do not fund, and the Reimbursement Obligations of the Borrower with respect to any draw under a Letter of Credit, shall be absolute, unconditional and irrevocable, shall not be subject to any defenses whatsoever (other than, in the case of the Committed Lenders, the occurrence of the Scheduled Termination Date or the failure of the LC Credit Extension to satisfy the terms and conditions of Section 2.04(a)), and shall be performed strictly in accordance with the terms of this Section 2.04 under all circumstances, including each of the following circumstances:

(1) any set-off, counterclaim, recoupment, defense or other right which such Committed Lender may have against an LC Issuer, any Conduit Lender, another Committed Lender, any Facility Agent, the Administrative Agent, the Borrower, the Servicer, any Originator, the Performance Guarantor or any other Person for any reason whatsoever;

(2) the failure of the Borrower or any other Person to comply with the conditions set forth in this Agreement for the making of Loans, requests for Letters of Credit or otherwise, it being acknowledged that such conditions are not required for the making of Reimbursement Borrowings hereunder;

(3) any lack of validity or enforceability of any Letter of Credit;

(4) any claim of breach of warranty that might be made by the Borrower, the Servicer, any Originator, the Performance Guarantor, the Administrative Agent, any LC Issuer, any Facility Agent, any Lender or any other Person against the beneficiary of a Letter of Credit, or the existence of any claim, set-off, defense or other right which the Borrower, the Servicer, any Originator, the Performance Guarantor, the Administrative Agent, any LC Issuer, any Facility Agent, any Lender or any other Person may have at any time against a beneficiary, any successor beneficiary or any transferee of any Letter of Credit or the proceeds thereof (or any Persons for whom any such transferee may be acting), any LC Issuer, any Conduit Lender, any Committed Lender, any Facility Agent, the Administrative Agent or any other Person, whether in connection with this Agreement, the transactions contemplated herein or any unrelated transaction (including any underlying transaction between the Servicer, any Originator, the Performance Guarantor, the Borrower or any of their respective Affiliates and the beneficiary for which any Letter of Credit was procured);

(5) the lack of power or authority of any signer of, or lack of validity, sufficiency, accuracy, enforceability or genuineness of, any draft, demand, instrument, certificate or other document presented under any Letter of Credit, or any such draft, demand, instrument, certificate or other document proving to be forged, fraudulent, invalid, defective or insufficient in any respect or any statement therein being untrue or inaccurate in any respect, even if another LC Issuer, the Administrative Agent, a Facility Agent or a Lender has been notified thereof; provided, that the foregoing shall not be construed to excuse any LC Issuer from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such LC Issuer's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof; provided, further, that, in the absence of gross negligence or willful misconduct on the part of the applicable LC Issuer (as finally determined by a court of competent jurisdiction), such LC Issuer shall be deemed to have exercised care in each such determination;

(6) payment by an LC Issuer under a Letter of Credit issued by it against presentation of a demand, draft or certificate or other document which does not comply with the terms of such Letter of Credit other than as a result of the gross negligence or willful misconduct of such LC Issuer;

(7) the solvency of, or any acts or omissions by, any beneficiary of any Letter of Credit, or any other Person having a role in any transaction or obligation relating to a Letter of Credit, or the existence, nature, quality, quantity, condition, value or other characteristic of any property or services relating to a Letter of Credit;

(8) any failure by an LC Issuer or any of an LC Issuer's Affiliates to issue any Letter of Credit in the form requested by the Borrower;

(9) any Material Adverse Effect with respect to the Borrower, the Servicer, the Performance Guarantor, any Originator or any of their respective Affiliates;

(10) any breach of this Agreement or any other Facility Document by any party thereto;

(11) the occurrence and/or continuance of an Advance Suspension Event, an Event of Termination or a Potential Event of Termination;

(12) the fact that this Agreement or the obligations of the Borrower or the Servicer hereunder shall have been terminated; and

(13) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

(k) Fronting Fees; Other LC Fees. With respect to each Letter of Credit, the Borrower shall pay to the applicable LC Issuer all fronting fees or similar fees with respect to such Letter of Credit in the amount and otherwise in accordance with the terms agreed in writing between the Borrower and such LC Issuer (the "Fronting Fees"). The Borrower shall pay all Fronting Fees accrued through and including the last day of each calendar month, as reflected in an invoice delivered to the Borrower in accordance with Section 2.05(a), in arrears, on the Interest and Fee Payment Date immediately succeeding the end of such calendar month. The Borrower shall pay to each LC Issuer, in addition to all other amounts due hereunder, all customary expenses incurred by each LC Issuer in connection with each Letter of Credit issued by it or the maintenance thereof and its customary drawing, amendment, renewal, extension, processing, transfer and other applicable customary fees (collectively, "Other LC Fees"). The Borrower shall pay all Other LC Fees on demand or as otherwise agreed between the Borrower and such LC Issuer.

(l) Liability for Acts and Omissions. (i) As between the Borrower, on the one hand, and each LC Issuer and each other Indemnified Party, on the other, the Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit by, the respective beneficiaries of such Letters of Credit. In furtherance and not in limitation of the respective foregoing, no Indemnified Party shall be responsible for: (A) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for an issuance of any such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged (even if such LC Issuer or such other Indemnified Party shall have been notified thereof); provided, that the foregoing shall not be construed to excuse any LC Issuer from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such LC Issuer's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof; provided, further, that, in the absence of gross negligence or willful misconduct on the part of the applicable LC Issuer (as finally determined by a court of competent jurisdiction), such LC Issuer shall be deemed to have exercised care in each such determination; (B) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (C) the failure of the beneficiary of any such Letter of Credit, or any other party to which such Letter of Credit may be transferred, to comply fully with any conditions required in order to draw upon such Letter of Credit or any other claim of the Borrower against any beneficiary of such Letter of Credit, or any such transferee, or any dispute between or among the Borrower and any beneficiary of any Letter of Credit or any such transferee; (D) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, whether or not they be in cipher; (E) errors in interpretation of technical terms; (F) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof; (G) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; or (H) any consequences arising from causes beyond the control of such Indemnified Party, and none of the above shall affect or impair, or prevent the vesting of, any LC Issuer's or any other Indemnified Party's rights or powers hereunder. In no event shall any of such LC Issuer or other Indemnified Party be liable to the Borrower or any other Person for any indirect, consequential, incidental, punitive, exemplary or special damages or expenses (including attorneys' fees), or for any damages resulting from any change in the value of any property relating to a Letter of Credit.

(ii) Without limiting the generality of the foregoing, each LC Issuer (A) may rely on any written communication believed in good faith by such Person to have been authorized or given by or on behalf of the applicant for a Letter of Credit; (B) may honor any presentation if the documents presented appear on their face to comply with the terms and conditions of the relevant Letter of Credit; (C) may honor a previously dishonored presentation under a Letter of Credit, whether such dishonor was pursuant to a court order, to settle or compromise any claim of wrongful dishonor, or otherwise, and shall be entitled to reimbursement to the same extent as if such presentation had initially been honored, together with any interest paid by an LC Issuer or its Affiliates; (D) may honor any drawing that is payable upon presentation of a statement advising negotiation or payment, upon receipt of such statement (even if such statement indicates that a draft or other document is being delivered separately), and shall not be liable for any failure of any such draft or other document to arrive, or to conform in any way with the relevant Letter of Credit; and (E) may pay any paying or negotiating bank claiming that it rightfully honored under the laws or practices of the place where such bank is located.

(iii) In furtherance and extension and not in limitation of the specific provisions set forth above, any action taken or omitted by an LC Issuer under or in connection with the Letters of Credit issued by it or any documents and certificates delivered thereunder, if taken or omitted in good faith and without gross negligence or willful misconduct, as determined by a final non-appealable judgment of a court of competent jurisdiction, shall not put such LC Issuer under any resulting liability to the Borrower, the Servicer, the Performance Guarantor, any Originator, any Lender, any Facility Agent, the Administrative Agent or any other Person.

(m) Termination of Letters of Credit. An LC Issuer shall only terminate a given Letter of Credit (in whole or in part) upon receipt of appropriate documentation from the beneficiary thereof or, upon the expiration thereof in accordance with its terms. Funds remaining in the LC Collateral Account to Cash Collateralize such terminated Letter of Credit shall be applied in accordance with clause (n) of this Section 2.04.

(n) LC Collateral Account. (i) The Administrative Agent shall maintain, in the name of the Administrative Agent, on behalf of the Secured Parties, a segregated cash collateral account (such account the "LC Collateral Account") at an Eligible Account Bank selected by the Administrative Agent into which Cash Collateral shall be deposited as and when required under the terms of this Agreement. Such deposits shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of Borrower (or, with respect to Cash Collateral deposited in respect of a Defaulting Committed Lender, such Defaulting Committed Lender) under this Agreement and the other Facility Documents. The Administrative Agent (for the benefit of the LC Issuers and the Lenders) shall have exclusive dominion and control, including the exclusive right of withdrawal, over the LC Collateral Account. Amounts on deposit in the LC Collateral Account shall not be invested.

(ii) Amounts on deposit in the LC Collateral Account shall be applied by the Administrative Agent to reimburse the applicable LC Issuer and for fees related to the Letters of Credit and for any Reimbursement Obligations that have not been repaid by the Borrower or through Collections and any portion of Reimbursement Borrowings that are not funded by Defaulting Committed Lenders or, if the Termination Date has occurred to satisfy other remaining Aggregate Exposure Amounts. If on any Interest and Fee Payment Date prior to the LC Cash Collateral Date, the balance in the LC Collateral Account in respect of all outstanding Letters of Credit exceeds the Required LC Cash Collateral Amount as of such Interest and Fee Payment Date, then, unless an Event of Termination, an Advance Suspension Event or a Potential Event of Termination shall exist and be continuing, the Administrative Agent shall release the excess Cash Collateral to the Borrower.

(iii) To the extent that any Letters of Credit are outstanding and undrawn on the LC Cash Collateral Date, the LC Collateral Account shall be funded in an amount up to the Required LC Cash Collateral Amount pursuant to Section 2.07(a)(vi) or Section 2.08(b)(v), as applicable, it being understood that funds on deposit in the LC Collateral Account will not be used to fund draws prior to the Termination Date. On the Interest and Fee Payment Date after the Termination Date after which all Letters of Credit have expired or been terminated, all draws on the Letters of Credit have been reimbursed, all Participation Advances have been repaid, all Used Fees, Fronting Fees and Other LC Fees due with respect to such Letters of Credit have been paid in full and the Final Collection Date has occurred, all funds in the LC Collateral Account shall be remitted to the Borrower.

SECTION 2.05. Interest and Fees.

(a) On each Interest and Fee Payment Date, in accordance with the provisions set forth in Section 2.07 or 2.08, as applicable, the Borrower shall pay to each Facility Agent on behalf of the Lenders in its Lender Group, all accrued and unpaid Interest with respect to the Loans funded and maintained by such Lender Group and the Used Fees and Unused Fees, as calculated in accordance with the Fee Letter. On or before the first Business Day after the end of each calendar month each Facility Agent shall furnish the Borrower with an invoice setting forth the amount of the accrued and unpaid Interest, Used Fees, Unused Fees and any Fronting Fees and Other LC Fees payable to the Lenders or the LC Issuer (if applicable) in such Facility Agent's Lender Group.

(b) On each Interest and Fee Payment Date, in accordance with the provisions set forth in Section 2.07 or 2.08, as applicable, the Borrower shall pay to the Administrative Agent the fees set forth in the Administrative Agent Fee Letter, if any.

SECTION 2.06. Repayment.

(a) *Repayment on the Final Maturity Date.* On or prior to the Final Maturity Date, the Borrower shall repay in full the Aggregate Principal Balance and all other Borrower Obligations and shall Cash Collateralize all outstanding Letters of Credit up to the Required LC Cash Collateral Amount.

(b) *Mandatory Prepayments.* The Borrower shall eliminate any Borrowing Base Deficiency prior to the occurrence of a Borrowing Base Default.

(c) *Optional Prepayments.* The Borrower may, at its option, prepay on any Business Day all or any portion of any Loan in accordance with this Section 2.06(c). The Borrower may do as follows:

(i) the Borrower shall deliver to the Administrative Agent, each Facility Agent and the Servicer written notice in substantially the form of Exhibit J (the "Prepayment Notice") at least two (2) Business Days' prior to the date of such prepayment of the Aggregate Exposure Amount, which notice shall include the amount of such proposed prepayment and the proposed date on which such prepayment will commence; and

(ii) on the proposed date of prepayment, the Servicer shall cause Collections that have been set aside pursuant to Section 2.07(b)(i) to make such prepayment;

provided, that the amount of any such prepayment as specified in the Prepayment Notice (if not a prepayment to zero of the Aggregate Principal Balance and Cash Collateral of all LC Undrawn Amounts) shall be not less than \$1,000,000 and shall be an integral multiple of \$100,000, and the entire Aggregate Exposure Amount after giving effect to such reduction shall be not less than \$10,000,000 (unless the entire Aggregate Principal Balance shall have been reduced to zero and all LC Undrawn Amounts shall have been fully Cash Collateralized).

SECTION 2.07. Application of Collections Prior to Termination Date.

(a) On each Business Day prior to the Termination Date, the Servicer shall cause all Collections received (or deemed received pursuant to Section 2.09) on such day to be applied in the following order and priority:

(i) *first*, if such day is an Interest and Fee Payment Date, on a pro rata basis, (x) to the Facility Agents, on behalf of the Lenders and LC Issuers in their respective Lender Groups, accrued and unpaid Interest, Used Fees, Unused Fees, Fronting Fees and Other LC Fees, (y) to the Administrative Agent, the fees owed to it under the Administrative Agent Fee Letter and (z) to the Servicer, all accrued and unpaid Servicer Fees;

(ii) *second*, to the Administrative Agent, an amount equal to the Borrower Obligations owing to the Administrative Agent in respect of all costs and expenses which the Administrative Agent is entitled to have reimbursed, including pursuant to Section 10.10 incurred by it in connection with the enforcement of any Facility Document or the collection of any amounts due thereunder;

(iii) *third*, to any LC Issuers holding Participation Advances, ratably based on the portion of the aggregate outstanding Reimbursement Obligations owed to each until such Participation Advances are reduced to zero;

(iv) *fourth*, in the following order of priority, *first*, (x) if a Borrowing Base Deficiency exists, an amount equal to such Borrowing Base Deficiency (such amount to be allocated *first*, to the Lenders ratably in accordance with the portion of the Aggregate Exposure Amount held by each and *second*, to the LC Collateral Account to Cash Collateralize LC Undrawn Amounts) and then *second*, (y) if the LC Obligations owing to any LC Issuers exceed the LC Commitments of such LC Issuers, the amount necessary to cause the LC Obligations owing to such LC Issuers to be less than or equal to their respective LC Commitments (such amount to be deposited into the LC Collateral Account to Cash Collateralize LC Undrawn Amounts);

(v) *fifth*, from and after any Early Termination Date, on a pro rata basis, to (x) the Facility Agents of each Early Terminating Lender Group in payment of the Principal Balance of the Loans held by the Lenders in each such Lender Group and (y) the LC Collateral Account, to Cash Collateralize the Lender Group Percentage of each Early Terminating Lender Group of the LC Undrawn Amount, in an amount equal to each such Early Terminating Lender Group's ratable share (in accordance with such Lender Group's share of the Aggregate Exposure Amount) of the balance of such Collections (such ratable share to be determined on each Business Day, solely for the purposes of this clause (y)), based upon the outstanding Aggregate Exposure Amount and the Lender Group Percentages with respect to the LC Undrawn Amount immediately preceding such Early Termination Date), until the Principal Balance of the Loans of each such Early Terminating Lender Group are reduced to zero and the Lender Group Percentage of the LC Undrawn Amount of each such Early Terminating Lender Group is fully Cash Collateralized;

(vi) *sixth*, on and after the LC Cash Collateral Date, to fund the LC Collateral Account up to the Required LC Cash Collateral Amount with respect to Letters of Credit that are scheduled to expire after the Scheduled Termination Date to the extent required under Section 2.04(n)(iii);

(vii) *seventh*, if any Borrower Obligations (other than Interest, Used Fees, Unused Fees, Fronting Fees, Other LC Fees, the Servicer Fee and the Loans) are then due and payable by the Borrower to any Secured Party, to each such Secured Party (ratably in accordance with the amounts owing to each) the Borrower Obligations so due and payable; and

(viii) *eighth*, to the Borrower for application in accordance with Section 2.07(b) below (any such remittance, a “Release”); provided that, if (x) the conditions precedent for such Release set forth in Section 3.02 are not satisfied or (y) following an Advance Suspension Event, the Administrative Agent has, (A) at the request of the Majority Facility Agents (or, at any time during which there are only two Facility Agents, at the request of either Facility Agent) or (B) with the consent of the Majority Facility Agents, notified the Borrower and the Servicer that an Advance Suspension Event has occurred and that the Releases shall no longer be permitted hereunder until such Advance Suspension Event no longer exists (such notice, a “Release Suspension Notice”), then the Servicer shall, for so long as such Advance Suspension Event remains in effect or the conditions precedent for such Release set forth in Section 3.02 are not satisfied, deposit such Collections into the Collection Account or, if the Collection Account has not been established, the Designated Deposit Account, or such other account as designated by the Administrative Agent for application on the next Business Day in accordance with this Section 2.07(a) or Section 2.08, as applicable.

(b) Any Collections remitted to the Borrower pursuant to Section 2.07(a)(viii) shall be applied by the Servicer, on behalf of the Borrower: (i) *first*, if so requested by the Borrower, to pay or prepay (or set aside for the payment or prepayment of) Loans or to Cash Collateralize outstanding Letters of Credit, (ii) *second*, to pay the purchase price for Receivables to be acquired by the Borrower from one or more Originators on such day under the Receivables Sale Agreement and (iii) *third*, in such other manner as the Borrower may specify and that is not prohibited by the terms of the Facility Documents.

SECTION 2.08. Application of Collections After Termination Date.

(a) On the Termination Date, the Servicer shall deposit to the Collection Account or, if the Collection Account has not been established, the Designated Deposit Account, all Collections held by it on such date (including amounts previously set aside or held by it pursuant to Section 2.07(b)). On each Business Day thereafter, the Servicer shall deposit to the Collection Account or, if the Collection Account has not been established, the Designated Deposit Account, within one (1) Business Day of its receipt thereof, all Collections received by it that have not previously been deposited to the Collection Account or, if the Collection Account has not been established, the Designated Deposit Account. The Servicer shall not make any withdrawals from the Collection Account or the Designated Deposit Account during such period.

(b) On each Interest and Fee Payment Date from and after the Termination Date, the Administrative Agent, in consultation with the Servicer as needed, shall cause all Collections received since the prior Interest and Fee Payment Date, and all funds, if any, on deposit in the Collection Account and the Designated Deposit Account that have not been previously applied hereunder (including, without limitation, any investment earnings received with respect to such funds) to be applied in the following order of priority:

(i) *first*, to the Administrative Agent an amount equal to the Borrower Obligations (other than those described in clause (iii) below) owing to the Administrative Agent in respect of fees due to it and all costs and expenses which the Administrative Agent is entitled to have reimbursed, including pursuant to Section 10.10 incurred by it in connection with the enforcement of any Facility Document or the collection of any amounts due thereunder;

(ii) *second*, to the Servicer the accrued and unpaid Servicer Fee;

(iii) *third*, to the Administrative Agent, to be distributed to each Facility Agent, for the benefit of the Lenders and LC Issuers in its Lender Group, and to itself in payment of all accrued and unpaid Interest, Used Fees, Unused Fees, Fronting Fees, Other LC Fees, and Other Fees and the fees owed under the Administrative Agent Fee Letter then due and payable, ratably in accordance with such amounts owed to such parties;

(iv) *fourth*, to any LC Issuers holding Participation Advances, ratably based on the portion of the aggregate outstanding Reimbursement Obligations owed to each until such Participation Advances are reduced to zero;

(v) *fifth*, to fund the LC Collateral Account up to the Required LC Cash Collateral Amount as required under Section 2.04(n)(iii);

(vi) *sixth*, to the Administrative Agent, to be distributed to each Facility Agent, for the benefit of the Lenders and LC Issuers in its Lender Group, in reduction of the Aggregate Exposure Amount then due and payable (such amount to be allocated ratably in accordance with such amounts owed to such parties) until the Aggregate Principal Balance is reduced to zero;

(vii) *seventh*, if any Borrower Obligations (other than the amounts paid pursuant to clauses (i) through (vi) above) are then due and payable by the Borrower to any Secured Party, to each such Secured Party (ratably in accordance with the amounts owing to each) the Borrower Obligations so due and payable;

(viii) *eighth*, on the Final Collection Date, remit any remaining funds to the Borrower.

SECTION 2.09. Deemed Collections. If (a) on any day the Outstanding Balance of any Pool Receivable is either reduced or canceled as a result of a Dilution Factor, the Borrower shall be deemed to have received on such day, an amount equal to the amount of such reduction, or in the case of a cancellation, the Outstanding Balance of such Diluted Receivable and (b) if the representations and warranties made by an Originator with respect to a Receivable in Article V of the Receivables Sale Agreement is not true, the Borrower shall be deemed to have received on such day, an amount equal to the Outstanding Balance of such Receivable and the related Originator shall be obligated to pay such deemed collection to the Borrower pursuant to Section 3.3 of the Receivables Sale Agreement; provided, that such deemed Collections may be applied to the purchase price paid to the applicable Originator for newly purchased Receivables to the extent permitted under the Receivables Sale Agreement. If the Borrower on any day receives payments from the Originator or Servicer on Collections deemed to have been received pursuant to this Section 2.09 from and after the Termination Date, on such day the Borrower shall pay an amount of funds equal to such received deemed Collections to the Servicer for allocation and application in accordance with Section 2.08.

SECTION 2.10. Payments and Computations, Etc.

(a) All amounts to be paid or deposited by the Borrower or the Servicer hereunder or under any other Facility Document to the Administrative Agent or any Secured Party shall be made without reduction for offset or counterclaim and shall be paid or deposited no later than noon (New York, New York time) on the day when due in same day funds to the account for each Lender maintained by the applicable Facility Agent as may be designated from time to time by such Facility Agent to the Borrower and the Servicer. All amounts received after 4:00 p.m. (New York city time) will be deemed to have been received on the next Business Day. Except as expressly set forth herein, each Facility Agent shall distribute the amounts paid to it hereunder for the benefit of the Lenders in its Lender Group to the Lenders within its Lender Group ratably (x) in the case of such amounts paid in respect of Interest and fees, according to the Interest and fees payable to such Lenders and (y) in the case of such amounts paid in respect of the Aggregate Principal Balance (or in respect of any other obligations other than Interest and fees), according to the outstanding portions of the Aggregate Principal Balance funded by such Lenders.

(b) The Borrower (with respect to amounts payable by the Borrower) or the Servicer (with respect to amounts payable by the Servicer), as the case may be, shall, to the extent permitted by law, pay interest on any amount not paid or deposited by the Borrower or the Servicer, as the case may be, when due and payable hereunder, at the Default Rate, payable on demand; provided, that such rate shall not at any time exceed the maximum rate permitted by applicable Law.

(c) All computations of interest under clause (b) and all computations of Interest, fees and other amounts hereunder shall be made on the basis of a year of 360 days (or 365 or 366 days, as applicable, with respect to Interest or other amounts calculated by reference to the Base Rate) for the actual number of days elapsed. Whenever any payment or deposit to be made hereunder shall be due on a day other than a Business Day, such payment or deposit shall be made on the next Business Day and such extension of time shall be included in the computation of such payment or deposit.

SECTION 2.11. SOFR Rate Unascertainable; Increased Costs; Illegality; Benchmark Replacement Setting.

(a) Unascertainable; Increased Costs. If, on or prior to the first day of an Interest Period:

(i) the Administrative Agent shall have determined (which determination shall be conclusive and binding absent manifest error) that (x) the Term SOFR Rate cannot be determined pursuant to the definition thereof; or (y) a fundamental change has occurred with respect to the Term SOFR Rate (including, without limitation, changes in national or international financial, political or economic conditions); or

(ii) any Lender determines that for any reason that the Term SOFR Rate for any requested Interest Period does not adequately and fairly reflect the cost to such Lender of funding such Lender's Loans, and such Lender has provided notice of such determination to the Administrative Agent;

the Administrative Agent shall have the rights specified in Section 2.11(c).

(b) Illegality. If at any time any Lender shall have determined that the making, maintenance or funding of any Loan accruing Interest by reference to the Term SOFR Rate has been made impracticable or unlawful, by compliance by such Lender in good faith with any applicable Law or any interpretation or application thereof by any Governmental Authority or with any request or directive of any such Governmental Authority (whether or not having the force of applicable Law), then the Lender shall have the rights specified in Section 2.11(c).

(c) Administrative Agent's and Lender's Rights. In the case of any event specified in Section 2.11(a), the Administrative Agent shall promptly so notify the Lenders and the Borrower thereof, and in the case of an event specified in Section 2.11(b), such Lender shall promptly so notify the Administrative Agent and endorse a certificate to such notice as to the specific circumstances of such notice, and the Administrative Agent shall promptly send copies of such notice and certificate to the other Lenders and the Borrower.

Upon such date as shall be specified in such notice (which shall not be earlier than the date such notice is given), the obligation of (i) the Lenders, in the case of such notice given by the Administrative Agent, or (ii) such Lender, in the case of such notice given by such Lender, to fund, and the right of the Borrower to select, convert or renew, a Loan accruing Interest by reference to the Term SOFR Rate shall be suspended (to the extent of the affected Interest Periods) until the Administrative Agent shall have later notified the Borrower, or such Lender shall have later notified the Administrative Agent and the Borrower, of the Administrative Agent's or such Lender's, as the case may be, determination that the circumstances giving rise to such previous determination no longer exist.

If at any time the Administrative Agent or a Lender makes a determination under Sections 2.11(a) or (b), (A) if the Borrower has delivered a Borrowing Request for an affected Loan that has not yet been made, such Borrowing Request shall be deemed to have requested a Loan accruing Interest at the Base Rate and (B) any outstanding affected Loan (or portion thereof) shall be deemed to have been converted into a Loan accruing Interest at the Base Rate at the end of the applicable Interest Period; provided that the Borrower may revoke any such Borrowing Request (without penalty) prior to the borrowing of such Loan upon written notice to the Administrative Agent.

(d) Benchmark Replacement Setting.

(i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Facility Document, if a Benchmark Transition Event and its related Benchmark Replacement Date has occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Facility Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Facility Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Facility Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Facility Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Facility Agents comprising the Majority Facility Agents.

(ii) Benchmark Replacement Conforming Changes. In connection with the implementation and administration of a Benchmark Replacement, the Administrative Agent will have the right (in consultation with the Borrower) to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Facility Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Facility Document.

(iii) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Facility Agents of (A) any occurrence of a Benchmark Transition Event and its related Benchmark Replacement Date, (B) the implementation of any Benchmark Replacement, (C) the effectiveness of any Benchmark Replacement Conforming Changes, (D) the removal or reinstatement of any tenor of a Benchmark pursuant to paragraph (iv) below and (E) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.11, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Facility Document except, in each case, as expressly required pursuant to this Section 2.11.

(iv) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Facility Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (I) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (II) the administrator of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of “interest Period” (or any similar or analogous definitions) for any Benchmark settings at or after such time to remove any tenor of such Benchmark that is unavailable or a non-representative tenor; and (B) if a tenor that was removed pursuant to clause (A) above either (I) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (II) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “interest Period” (or any similar or analogous definitions) for any Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) Benchmark Unavailability Period. Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a Loan to be made at the then-current Benchmark, conversion to or continuation of a Loan bearing Interest based on the then-current Benchmark to be made, converted or continued during any Benchmark Unavailability Period and, failing that, (i) the Borrower will be deemed to have converted any such request into a request for a Loan to be made at the Base Rate and (ii) any outstanding Loans accruing Interest by reference to the Term SOFR Rate will be deemed to have been converted into Loans accruing Interest by reference to the Base Rate. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate.

(e) Certain Defined Terms. As used in this Section 2.11:

“**Available Tenor**” means, as of any date of determination and with respect to the then-current Benchmark, as applicable, (x) if such Benchmark is a term rate or is based on a term rate, any tenor for such Benchmark (or component thereof) that is or may be used for determining the length of an interest period pursuant to this Agreement or (y) otherwise, any payment period for interest calculated with reference to such Benchmark (or component thereof) that is or may be used for determining any frequency of making payments of interest calculated with reference to such Benchmark pursuant to this Agreement, in each case, as of such date and not including, for the avoidance of doubt, any tenor for such Benchmark that is then-removed pursuant to Section 2.11(d)(iv).

“Benchmark” means, initially, the Term SOFR Rate; provided that if a Benchmark Transition Event has occurred with respect to the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to this [Section 2.11\(d\)](#).

“Benchmark Replacement” means, with respect to any Benchmark Transition Event, the first applicable alternative set forth in the order below that can be determined by the Administrative Agent for the applicable Benchmark Replacement Date:

(1) the sum of: (A) Daily Simple SOFR and (B) the SOFR Adjustment; and

(2) the sum of (A) the alternate benchmark rate that has been selected by the Administrative Agent and the Borrower as the replacement for the then-current Benchmark for the applicable Corresponding Tenor, giving due consideration to (x) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (y) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement to the then-current Benchmark for U.S. dollar-denominated syndicated credit facilities at such time and (B) the related Benchmark Replacement Adjustment;

provided that, if the Benchmark Replacement would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Facility Documents; and provided further, that any Benchmark Replacement shall be administratively feasible as determined by the Administrative Agent in its sole discretion.

“Benchmark Replacement Adjustment” means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent and the Borrower for the applicable Corresponding Tenor, giving due consideration to (A) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (B) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for Dollar-denominated syndicated credit facilities at such time.

“Benchmark Replacement Conforming Changes” means, with respect to the either the use or administration of Term SOFR Rate or the use, administration, adoption or implementation of any Benchmark Replacement in relation thereto, any technical, administrative or operational changes (including changes to the definition of “Base Rate,” the definition of “Business Day,” the definition of “Interest Period” or any similar or analogous definition (or the addition of a concept of “interest period”) timing and frequency of determining rates and the timing of making payments of Interest, timing of purchase requests or prepayment, conversion or continuation notices, the applicability and length of lookback periods, and other technical, administrative or operational matters) that the Administrative Agent decides may be appropriate to reflect the adoption and implementation of the Term SOFR Rate or such Benchmark Replacement and to permit the administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Administrative Agent determines that no market practice for the administration of the Term SOFR Rate or the Benchmark Replacement exists, in such other manner of administration as the Administrative Agent decides is reasonably necessary in connection with the administration of this Agreement and the other Facility Documents).

“Benchmark Replacement Date” means a date and time determined by the Administrative Agent, which date shall be no later than the earliest to occur of the following events with respect to the then-current Benchmark:

(1) in the case of clause (1) or (2) of the definition of “Benchmark Transition Event,” the later of (A) the date of the public statement or publication of information referenced therein and (B) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or

(2) in the case of clause (3) of the definition of “Benchmark Transition Event,” the date determined by the Administrative Agent, which date shall promptly follow the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (1) or (2) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Event” means, the occurrence of one or more of the following events, with respect to the then-current Benchmark:

(1) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(2) a public statement or publication of information by a Governmental Authority having jurisdiction over the Administrative Agent, the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the Federal Reserve Bank of New York, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) or a Governmental Authority having jurisdiction over the Administrative Agent announcing that all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“**Benchmark Unavailability Period**” means the period (if any) (x) beginning at the time that a Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Facility Document in accordance with this Section 2.11(d) titled “Benchmark Replacement Setting” and (y) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Facility Document in accordance with this Section 2.11(d) titled “Benchmark Replacement Setting.”

“**Corresponding Tenor**” with respect to any Available Tenor means, as applicable, either a tenor (including overnight) or an interest payment period having approximately the same length (disregarding business day adjustment) as such Available Tenor.

“**Daily Simple SOFR**” means, for any day (a “SOFR Rate Day”) SOFR for the day (the “SOFR Determination Date”) that is 2 Business Days prior to (i) such SOFR Rate Day if such SOFR Rate Day is a Business Day or (ii) the Business Day immediately preceding such SOFR Rate Day if such SOFR Rate Day is not a Business Day, in each case, as such SOFR is published by the Federal Reserve Bank of New York (or a successor administrator of the secured overnight financing rate) on the website of the Federal Reserve Bank of New York, currently at <http://www.newyorkfed.org>, or any successor source identified by the Federal Reserve Bank of New York or its successor administrator for the secured overnight financing rate from time to time. If Daily Simple SOFR as determined above would be less than the SOFR Floor, then Daily Simple SOFR shall be deemed to be the SOFR Floor. If SOFR for any SOFR Determination Date has not been published or replaced with a Benchmark Replacement by 5:00 p.m. (New York City time) on the second Business Day immediately following such SOFR Determination Date, then SOFR for such SOFR Determination Date will be SOFR for the first Business Day preceding such SOFR Determination Date for which SOFR was published in accordance with the definition of “SOFR”; provided that SOFR determined pursuant to this sentence shall be used for purposes of calculating Daily Simple SOFR for no more than 3 consecutive SOFR Rate Days. If and when Daily Simple SOFR as determined above changes, any applicable rate of interest based on Daily Simple SOFR will change automatically without notice to the Borrower, effective on the date of any such change.

“**Floor**” means the benchmark rate floor, if any, provided in this Agreement initially (as of the execution of this Agreement, the modification, amendment or renewal of this Agreement or otherwise) with respect to the Term SOFR Rate or, if no floor is specified, zero.

“**Reference Time**” means, with respect to any setting of the then-current Benchmark means (i) if such Benchmark is the Term SOFR Rate, the Term SOFR Determination Date (as such term is defined in the definition of Term SOFR Rate), (ii) if such Benchmark is Daily SOFR, the SOFR Determination Date (as such term is defined in the definition of Daily SOFR) and (iii) if such Benchmark is not the Term SOFR Rate or Daily SOFR, the time determined by the Administrative Agent in its reasonable discretion.

“**Relevant Governmental Body**” means the Board of Governors of the Federal Reserve System or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Board of Governors of the Federal Reserve System or the Federal Reserve Bank of New York, or any successor thereto.

“**SOFR**” means, for any day, a rate equal to the secured overnight financing rate as administered by the Federal Reserve Bank of New York (or a successor administrator of the secured overnight financing rate).

“**SOFR Adjustment**” means ten basis points (0.10%).

“**SOFR Administrator’s Website**” means the website of the Federal Reserve Bank of New York, currently at <http://www.newyorkfed.org>, or any successor source for the secured overnight financing rate identified as such by the SOFR Administrator from time to time.

“**SOFR Floor**” means a rate of interest per annum equal to zero basis points (0.00%).

“**Term SOFR Administrator**” means CME Group Benchmark Administration Limited (CBA) (or a successor administrator of the Term SOFR Reference Rate selected by the Administrative Agent in its reasonable discretion).

“**Term SOFR Rate**” means, with respect to any amount for which the Term SOFR Reference Rate applies, (i) the Term SOFR Reference Rate for a term of one-month on the day (the “Term SOFR Determination Date”) that is two (2) Business Days prior to the first day of such Interest Period, as such rate is published by the Term SOFR Administrator and (ii) the SOFR Adjustment. If the Term SOFR Reference Rate for the applicable tenor has not been published by the Term SOFR Administrator or replaced with a Benchmark Replacement by 5:00 p.m. (New York City time) on the Term SOFR Determination Date, then the Term SOFR Reference Rate shall be the Term SOFR Reference Rate for such tenor on the first Business Day preceding such Term SOFR Determination Date for which such Term SOFR Reference Rate for such tenor was published by the Term SOFR Administrator in accordance herewith, so long as such first preceding Business Day is not more than three (3) Business Days prior to such Term SOFR Determination Date. If the Term SOFR Rate, determined as provided above, would be less than the SOFR Floor, then the Term SOFR Rate shall be deemed to be the SOFR Floor.

“*Term SOFR Reference Rate*” means the forward-looking term rate based on SOFR.

“*Unadjusted Benchmark Replacement*” means the applicable Benchmark Replacement excluding the related Benchmark Replacement Adjustment.

SECTION 2.12. Increased Costs.

(a) Generally. If (A) the adoption after the date hereof of any Regulatory Change or any change therein after the date hereof, (B) any change after the date hereof in the interpretation or administration of any Regulatory Change by any Governmental Authority charged with the interpretation or administration thereof, or compliance with any request or directive (whether or not having the force of law) of any such Governmental Authority, or (c) without regard to the date of adoption, effectiveness or implementation, any of the following or any Regulatory Change promulgated by any Governmental Authority in connection with any of the following: (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act, or (y) any accord or other pronouncement of the Bank for International Settlements, the Basel Committee on Banking Supervision or any successor or similar authority, shall:

(i) subject any Affected Person to any Taxes with respect to any Specified Matter (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Other Connection Taxes that are imposed on or measured by net income (however denominated) or that are franchise Taxes or branch profits Taxes);

(ii) impose, modify or deem applicable any reserve, assessment, fee, insurance charge, special deposit, requirement for the maintenance of assets or capital, liquidity or similar requirement against assets of, deposits with or for the account of, liabilities of or credit extended by, any Affected Person or shall impose on any Affected Person or on the United States market for commercial paper or the London interbank market any other condition affecting or otherwise in respect of any Specified Matter; or

(iii) impose any other condition the result of which is to increase the cost to an Affected Person of performing its obligations under or in connection with this Agreement, or to reduce the rate of return on Affected Person’s capital or assets as a consequence of its obligations under or in connection with this Agreement, or to reduce the amount of any sum received or receivable by an Affected Person, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it,

then, promptly following demand by such Affected Person through the Administrative Agent, the Borrower shall pay to the Administrative Agent for the benefit of such Affected Person, such additional amount or amounts as will compensate such Affected Person for such Tax, increased cost or reduction. Notwithstanding the foregoing, no Affected Person shall be entitled to request or receive any such additional amounts for any Tax, increased cost or reduction unless such Affected Person is otherwise generally requesting similar additional amounts from other similarly situated Persons under facilities similar to the facility provided by this Agreement.

(b) [Reserved].

(c) Delay in Requests. Failure or delay on the part of any Affected Person to demand compensation pursuant to this Section shall not constitute a waiver of such Affected Person's right to demand such compensation; provided that the Borrower shall not be required to compensate an Affected Person pursuant to this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Affected Person notifies the Borrower of the Regulatory Change giving rise to such increased costs or reductions and of such Affected Person's intention to claim compensation therefor (except that, if the Regulatory Change giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 2.13. Indemnity for Taxes.

(a) Any and all payments by or on account of any obligation of the Borrower hereunder shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law requires the deduction or withholding of any Tax from any such payment by the Borrower, then the Borrower shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Affected Person receives an amount equal to the sum it would have received had no such deduction or withholding been made. Subject to Section 2.13(b), the Borrower shall indemnify each Affected Person for the full amount of any Indemnified Taxes including Indemnified Taxes imposed or asserted on or attributable to amount payable under this Section payable or paid by such Affected Person or required to be withheld or deducted from a payment to such Affected Person.

(b) Each Affected Person will promptly notify the Borrower in writing of any event of which it has knowledge, which will entitle such Affected Person to compensation pursuant to this Section 2.13; provided, however, that failure of any Affected Person to demand indemnification for any Indemnified Taxes shall not constitute a waiver of such right to indemnification, except that the Borrower shall not be required to indemnify an Affected Person for Taxes under this Section 2.13 unless such Affected Person notifies the Borrower of such claim no later than 180 days after such Affected Person has knowledge of such Taxes being imposed or arising. Any notice claiming compensation under this Section 2.13 shall set forth in reasonable detail the additional amount or amounts to be paid to it hereunder and shall be conclusive in the absence of manifest error. The Borrower shall be obligated to pay any claim for Indemnified Taxes within 10 days upon receipt of such written notice (other than Indemnified Taxes and expenses payable by reason of the action or inaction of the applicable Affected Person); provided that if the Borrower reasonably believes that such Taxes were not correctly or legally asserted, the Affected Person will use reasonable efforts to cooperate with the Borrower to obtain a refund of such Taxes (which shall be paid in accordance with Section 2.13(c)) so long as such efforts would not, in the sole determination of the Affected Person, result in any additional costs or expenses or be otherwise disadvantageous to the Affected Person.

(c) The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse for the payment of, any Other Taxes.

(d) If an Affected Person determines, in its sole discretion, exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Borrower, it shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.13 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses of such Affected Person and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund net of any applicable Taxes payable in respect of such interest); provided, that the Borrower agrees to repay each such Affected Person, promptly after the request of such Affected Person, the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such Affected Person is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary, in no event will any Affected Person be required to pay any amount to the Borrower the payment of which would place such Affected Person in a less favorable net after-Tax position than such Affected Person would have been in if the Taxes subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Taxes had never been paid. This Section 2.13 shall not be construed to require any Affected Person to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Borrower or any other Person.

(e) If any Lender requests compensation under Section 2.12, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to this Section 2.13, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its portion of Aggregate Exposure Amount hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.12 or Section 2.13, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense, would not otherwise be disadvantageous or burdensome to such Lender and would not otherwise require such Lender to take any action inconsistent with its internal policies or legal or regulatory restrictions. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(f) (I) If any Lender requests compensation under Section 2.12, the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.13 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with paragraph (e) of this Section, (II) if any Committed Lender becomes a Defaulting Committed Lender or (III) if any Lender is a Non-Consenting Lender, then, in each case, the Borrower may, at its sole expense and effort, upon notice to the Facility Agent of such Lender Group and the Administrative Agent, require such Lender Group to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.03), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.12 or Section 2.13) and obligations under this Agreement and the related Specified Matter to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 10.03;

(ii) the Borrower shall have received consent from the Administrative Agent and each LC Issuer (other than any LC Issuer that is part of the Lender Group that is being replaced), which consent shall not be unreasonably withheld or delayed;

(iii) such Lender Group shall have received payment of an amount equal to the outstanding principal of its Aggregate Exposure Amount, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iv) in the case of any assignment by a Lender Group resulting from a Lender in such Lender Group becoming a Non-Consenting Lender, the applicable assignee Lender Group shall have consented to the applicable amendment, waiver or consent;

(v) in the case of any such assignment resulting from a claim for compensation under Section 2.12 or payments required to be made pursuant to Section 2.13, such assignment will result in a reduction in such compensation or payments thereafter;

(vi) such assignment does not conflict with applicable Law; and

(vii) all Letters of Credit issued by the LC Issuer in such Lender Group shall have been canceled or terminated and all accrued and unpaid fees related thereto shall have been paid in full.

A Lender Group shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 2.14. Taxes; FATCA.

(a) Each Lender shall deliver to the Borrower and to the Administrative Agent, on the Effective Date (or, if later, on the date on which it becomes a Lender), or at the time or times prescribed by applicable Laws, or when reasonably requested by the Borrower, the Servicer, the Performance Guarantor or the Administrative Agent, and each Affected Person (other than the Lenders) shall deliver to the Borrower and to the Administrative Agent, on or prior to receipt of its first payment under any Facility Document, such properly completed and executed documentation prescribed by applicable Laws or by the relevant Governmental Authority of any jurisdiction and such other reasonably requested information as will permit the Borrower, the Servicer, Performance Guarantor, the Administrative Agent or the applicable Facility Agent, as the case may be, to determine (i) whether or not payments made hereunder are subject to Taxes, (ii) if applicable, the required rate of withholding or deduction, and (iii) such Lender's (or such other Affected Person's) entitlement to any available exemption from, or reduction of, applicable Taxes in respect of all payments to be made to such Lender (or such other Affected Person) by the Borrower pursuant to this Agreement or otherwise to establish such Lender's (or such other Affected Person's) status for withholding Tax purposes in the applicable jurisdiction.

(b) Without limiting the generality of the foregoing:

(i) Each Lender (and each Affected Person, other than the Lenders, that receives a payment under any Facility Document) that is a “United States person” within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent executed copies of IRS Form W-9 certifying that such Lender or Affected Person is exempt from United States federal backup withholding tax; and

(ii) each Lender (and each Affected Person, other than the Lenders, that receives a payment under any Facility Document) that is organized under the Laws of a jurisdiction other than the United States (including each State thereof and the District of Columbia) (a “Foreign Lender” and a “Foreign Affected Party”, respectively) that is entitled under the Code or any applicable treaty to an exemption from or reduction of withholding Tax with respect to payments hereunder shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the Borrower or the Administrative Agent) on or prior to the date on which such Foreign Lender becomes a Lender with respect to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), or in the case of a Foreign Affected Party, on or prior to receipt of its first payment under any Facility Document, whichever of the following is applicable:

(1) (A) in the case of a Foreign Lender (or Foreign Affected Party), claiming eligibility for benefits of an income tax treaty to which the United States is a party, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable,

(2) (B) executed originals of IRS Form W-8ECI,

(3) (C) in the case of a Foreign Lender (or Foreign Affected Party) claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate (a “U.S. Tax Compliance Certificate” in the form contained in Exhibit L-1) to the effect that such Foreign Lender (or Foreign Affected Party) is not (A) a “bank” within the meaning of section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Borrower within the meaning of section 871(h)(3)(A) of the Code, or (C) a “controlled foreign corporation” described in section 881(c)(3)(C) of the Code, and (y) executed copies of IRS Form W 8BEN or IRS Form W-8BEN-E, as applicable, or

(4) (D) to the extent a Foreign Lender (or Foreign Affected Party) is not the beneficial owner, executed copies of IRS Form W-8IMY and all required supporting documentation, including, without limitation, IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-2 or Exhibit L-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided, that if the Foreign Lender (or Foreign Affected Party) is a partnership and one or more direct or indirect partners of such Foreign Lender (or Foreign Affected Party) are claiming the portfolio interest exemption, such Foreign Lender (or Foreign Affected Party) may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-4 on behalf of any such direct or indirect partner, or

(5) (E) duly completed executed copies of any other form prescribed by applicable Laws as a basis for claiming exemption from or a reduction in United States federal withholding Tax together with such supplementary documentation as may be prescribed by applicable Laws to permit the Borrower, the Performance Guarantor or the Administrative Agent to determine the withholding or deduction required to be made.

(iii) If a payment made hereunder to any Lender (or other Affected Person) would be subject to United States federal withholding Tax imposed by FATCA if such Lender (or such other Affected Person) were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender (or such other Affected Person) shall deliver to the Borrower, the applicable Facility Agent and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Borrower, the applicable Facility Agent or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower, the applicable Facility Agent or the Administrative Agent as may be necessary for the Borrower, the applicable Facility Agent or the Administrative Agent to comply with its obligations under FATCA and to determine that such Lender (or such other Affected Person) has complied with such Lender's (or such other Affected Person's) obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this *clause (iii)*, "FATCA" shall include any amendments made to FATCA after the Effective Date.

(c) Each Lender (and each Affected Person, other than the Lenders, that receives a payment under any Facility Document) shall promptly notify the Borrower, the applicable Facility Agent and the Administrative Agent of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

SECTION 2.15. Security Interest. As security for the performance by the Borrower of all the terms, covenants and agreements on the part of the Borrower to be performed under this Agreement or any other Facility Document, including the payment when due of all Borrower Obligations, the Borrower hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a security interest in all of the Borrower's right, title and interest in, to and under the following (collectively, the "Collateral"):

(a) all Pool Receivables, whether now owned and existing or hereafter acquired or arising, together with all Related Security and Collections with respect thereto;

(b) the Collection Account, the LC Collateral Account, each Deposit Account and each Lock-Box, including, without limitation, (i) all Collections held therein and all certificates and instruments, if any, from time to time representing or evidencing any of such accounts or any Collections held therein, (ii) all investment property and other financial assets representing Collections or proceeds thereof held in, or acquired with funds from, such accounts and all certificates and instruments from time to time representing or evidencing such investment property and financial assets, (iii) all notes, certificates of deposit and other instruments from time to time hereafter delivered or transferred to, or otherwise possessed by, the Administrative Agent in substitution for any of the then existing accounts and (iv) all interest, dividends, cash, instruments, financial assets, investment property and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any and all of such accounts, in each case, related to Pool Receivables; and

(c) to the extent not included in the foregoing, all Proceeds of any and all of the foregoing.

The Borrower hereby authorizes the filing of financing statements, and continuation statements and amendments thereto and assignments thereof, describing the collateral covered thereby as “all of debtor’s personal property or assets whether now owned or hereafter acquired” or words to that effect, notwithstanding that such wording may be broader in scope than the collateral described in this [Section 2.15](#). This Agreement shall constitute a security agreement under applicable law. Each of the Borrower, each Lender, each LC Issuer and the Administrative Agent represents and warrants as to itself that each remittance of Collections and other property by the Borrower hereunder will have been (i) in payment of a debt incurred by the Borrower in the ordinary course of business or financial affairs of the Borrower, the Lenders, the LC Issuers and the Administrative Agent and (ii) made in the ordinary course of business or financial affairs of the Borrower, the Lenders, the LC Issuers and the Administrative Agent.

SECTION 2.16. Release of Security Interest. After giving effect to the distributions made pursuant to Section 2.08 on the Final Collection Date, the security interest granted pursuant to [Section 2.15](#) shall terminate. If a Receivable has been reconveyed to an Originator pursuant to Section 3.4 of the Receivables Sale Agreement, the security interest in such Receivable and the Related Security with respect thereto shall automatically terminate. The Administrative Agent shall execute and deliver to the Borrower, at the Borrower’s expense, all documents that the Borrower shall reasonably request to evidence such termination or release and shall perform such other actions reasonably requested by the Borrower to effect and document such release.

SECTION 2.17. Evidence of Debt. Each Lender shall maintain an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the outstanding principal balance of such Loans and the amount of Interest payable and paid to such Lender from time to time hereunder. The entries made in such accounts of the Lenders shall be *prima facie* evidence of the existence and amounts of the obligations recorded therein; provided, however, that the failure of any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

SECTION 2.18. Conforming Changes Relating to Term SOFR Rate. With respect to the Term SOFR Rate, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Facility Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Facility Document; provided that, with respect to any such amendment effected, the Administrative Agent shall provide notice to the Borrower and the Lenders of each such amendment implementing such Benchmark Replacement Conforming Changes reasonably promptly after such amendment becomes effective.

(c) no event has occurred and is continuing, or would result from such Credit Extension or Release, which constitutes an Event of Termination, a Servicer Default, a Potential Event of Termination or a Potential Servicer Default after taking into account application of Collections, prepayments and purchases of Receivables to occur on such date;

(b) Due Authorization and No Conflict. The execution, delivery and performance by the Servicer of this Agreement are within the Servicer’s limited liability company powers, have been duly authorized by all necessary limited liability company action on the part of the Servicer and do not contravene or constitute a default (i) under any provision of applicable law, tariff or regulation, (ii) of the Servicer’s certificate of formation or limited liability company agreement or (iii) of any agreement, judgment, injunction, decree or other instrument binding upon the Servicer, except in the case of clause (i) or (iii), any contravention or default that could not be reasonably expected to have a Material Adverse Effect or result in the creation or imposition of any Adverse Claim on any asset of the Servicer upon or with respect to any of its properties. This Agreement and the other Facility Documents to which the Servicer is a party have been duly executed and delivered on behalf of the Servicer.

(c) Governmental Approvals. (d) Enforceability of Facility Documents. This Agreement and each other Facility Document to be delivered by the Servicer in connection herewith constitutes the legal, valid and binding obligation of the Servicer enforceable against the Servicer in accordance with its terms, subject to the Enforceability Exceptions.

(e) No Litigation. Except as publically disclosed by the Performance Guarantor in its securities filings, there is no action, suit or proceeding pending against, or to the Servicer's knowledge threatened against or affecting, the Servicer before any court or arbitrator or any Governmental Authority in which there is a reasonable possibility of an adverse decision which could reasonably be expected to have a Material Adverse Effect or that seeks to prevent the consummation of the transactions contemplated by this Agreement and the other Facility Documents. Except as publically disclosed by the Performance Guarantor in its securities filings, the Servicer is not in default with respect to any order of any court, arbitrator or other Governmental Authority, which default could reasonably be expected to have a Material Adverse Effect or prevent the consummation of the transactions contemplated by this Agreement and the other Facility Documents.

ARTICLE VI
ADMINISTRATION OF RECEIVABLES

SECTION 6.01. Designation of Servicer.

(a) The servicing, administering and collection of the Pool Receivables shall be conducted by the Person so designated from time to time in accordance with this Section 6.01. Until the Administrative Agent, with the consent or at the direction of the Facility Agents, gives notice to the Borrower and the Servicer of the designation of a new Servicer as provided in Section 6.01(b) below, NRG Retail LLC is hereby designated as, and hereby agrees to perform the duties and obligations of, the Servicer pursuant to the terms hereof. The Borrower hereby grants to Servicer an irrevocable power of attorney, with full power of substitution, coupled with an interest, to take in the name of the Borrower any and all steps which are necessary or advisable to endorse, negotiate or otherwise realize on any writing or other right of any kind in connection with any Pool Receivable or other Collateral.

(b) Upon the occurrence of any Event of Termination that has not been waived in writing, the Administrative Agent (i) shall at the request of the Majority Facility Agents or, at any time during which there are only two Facility Agents, at the request of either Facility Agent, or (ii) may with the consent of the Majority Facility Agents, (A) by written notice to the parties hereto designate as Servicer any Person to succeed NRG Retail LLC (or any successor Servicer) subject to the condition that any such Person so designated shall agree to perform the duties and obligations of the Servicer pursuant to the terms hereof and such replacement servicer shall have all required licenses and shall conduct its servicing at all times so as to not cause Borrower or any of its Affiliates to violate any applicable Law and (B) instruct the Borrower or the Servicer to give notice of the Administrative Agent's interest in the Pool Receivables to each Obligor, which notice shall direct that payments be made directly to the Administrative Agent or its designee (for the benefit of each Secured Party), and the Borrower or the Servicer, as the case may be, shall give such notice at the expense of the Borrower or the Servicer, as the case may be; provided, that if the Borrower or the Servicer, as the case may be, fails to so notify each Obligor within 30 days after receipt of such instruction, the Administrative Agent (at the Borrower's or the Servicer's, as the case may be, expense) may so notify the Obligors. The Servicer shall not resign from the obligations and duties hereby imposed on it except upon the reasonable determination by the Servicer that (x) the performance of its duties hereunder is no longer permissible under applicable law and (y) there is no reasonable action which the Servicer could take to make the performance of its duties hereunder permissible under applicable law.

(c) NRG Retail LLC and any other Servicer agrees that, upon its resignation or replacement as Servicer pursuant to Section 6.01(b) above, it will cooperate with the Borrower, the Administrative Agent and the successor Servicer in effecting the termination of its responsibilities and rights as Servicer hereunder, including, without limitation, using commercially reasonable efforts in (i) assisting the successor Servicer in enforcing all of Borrower's rights under the Pool Receivables and Related Security, (ii) transferring, promptly upon receipt, to the successor Servicer or to the Borrower, any Collections or other amounts related to the Pool Receivables received by such Servicer, (iii) transferring to the successor Servicer all books and records including the Contracts (or copies of books and records and Contracts) held by or under the control of such Servicer and (iv) permitting the successor Servicer to have access to all tapes, discs, diskettes and related property containing information concerning the Pool Receivables and the books and records (including the Contracts) and taking all commercially reasonable actions necessary in its control to permit the successor Servicer to use all computer software that may facilitate the Servicer's access to and use of such information and acting as data processing agent for such successor Servicer if requested. Upon the resignation or replacement of NRG Retail LLC as Servicer, NRG Retail LLC shall no longer be entitled to the Servicer Fee accruing from and after the effective date of such resignation or replacement.

(d) The Servicer may delegate its duties and obligations hereunder to any sub-servicer (each a "Sub-Servicer"); provided, that, in each such delegation (i) the Servicer shall remain primarily liable for the performance of the duties and obligations so delegated; (ii) the Borrower, the Administrative Agent and each Lender Group shall have the right to look solely to the Servicer for performance; (iii) unless such Sub-Servicer is a Utility that is providing invoicing services to an Originator, the terms of any agreement with any Sub-Servicer shall provide that such agreement shall terminate upon the termination of the Servicer hereunder by giving notice of its desire to terminate such agreement to the Servicer (and the Servicer shall provide appropriate notice to each such Sub-Servicer) and (iv) unless such Sub-Servicer is an Originator, another Affiliate of the Servicer or a Utility that is providing invoicing services to an Originator, the Administrative Agent shall have consented in writing in advance to such delegation. For the avoidance of doubt, this Section 6.01(d) shall not apply to any Payment Processor, any third party collection agency collecting Defaulted Receivables or any other third party service provider assisting in the servicing of the Defaulted Receivables. None of the Borrower, the Administrative Agent and the members of the Lender Groups shall have any obligations, duties or liabilities with respect to any Sub-Servicer, Payment Processor, any third party collection agency collecting Defaulted Receivables or any other third party service provider assisting in the servicing of the Defaulted Receivables.

SECTION 6.02. Duties of the Servicer.

(a) The Servicer shall take or cause to be taken all such actions as it deems necessary or advisable to collect each Pool Receivable from time to time, all in accordance, in all material respects, with applicable laws, tariffs, rules, regulations and the Credit and Collection Policy. Each of the Borrower, each Lender, each LC Issuer, each Liquidity Provider, each Facility Agent and the Administrative Agent hereby appoints as its agent the Servicer, from time to time designated pursuant to Section 6.01, to enforce its respective rights and interests in and under the Pool Receivables and the Related Security. The Servicer (so long as it is NRG Retail LLC) will at all times apply the same standards and follow the same procedures with respect to the decision to commence litigation with respect to the Pool Receivables, and in prosecuting and litigating with respect to Pool Receivables, as it applies and follows with respect to trade accounts receivable serviced by it which are not Pool Receivables; provided, however, that from and after an Event of Termination, the Servicer shall commence or settle any legal action to enforce collection of any Delinquent Receivable or Defaulted Receivable as directed by the Administrative Agent; provided, further, that the Servicer shall not be required to take any action that (i) is contrary to any applicable law or (ii) any existing applicable agreement. In no event shall the Servicer be entitled to make the Administrative Agent, any Facility Agent, any Lender or any Liquidity Provider a party to any litigation without the such Person's express prior written consent.

(b) In the event the Servicer receives any Collections or other proceeds of the Collateral, it shall hold such Collections and other proceeds on behalf of the Borrower for application and remittance in accordance with Section 2.07 or 2.08, as applicable, and it shall remit the same to the Collection Account or, if the Collection Account is not established, the Designated Deposit Account to the extent required hereunder. The Borrower shall deliver to the Servicer, and the Servicer shall hold in trust for the Borrower, the Lenders and the Liquidity Providers in accordance with their respective interests, all books and records.

(c) The Servicer shall, as soon as practicable following receipt, turn over to the Person entitled thereto collections in respect of any receivable which is not a Pool Receivable less, to the extent the Servicer performed any collection or enforcement actions which it was authorized by such Person to perform, all reasonable and appropriate out of pocket costs and expenses of such Servicer incurred in collecting and enforcing such receivable.

SECTION 6.03. Deposit Account and Lock-Box Arrangements.

(a) On or prior to the Effective Date, the Borrower shall have delivered to the Administrative Agent a Deposit Account Control Agreement in respect of each Deposit Account identified on Exhibit F as of the Effective Date. On or prior to September 30, 2022, the Borrower shall have delivered to the Administrative Agent a Deposit Account Control Agreement in respect of the Deposit Accounts at Citibank, N.A., and a Lock-Box Control Agreement in respect of the Lock-Boxes administered by Deluxe Corporation. Each Deposit Account Control Agreement for the Deposit Accounts shall provide the Administrative Agent with "control" within the meaning of Section 9-104 of the UCC over such Deposit Accounts. Neither the Borrower nor the Servicer shall, or shall permit, any other Person to, attempt to close any Deposit Account unless the Collections directed to such Deposit Account are redirected to another Deposit Account subject to a Deposit Account Control Agreement.

(b) If at any time, a Deposit Account Bank has a short term unsecured debt rating lower than A-1 by Standard & Poor's or P-1 by Moody's (each a "Low Ratings Deposit Account Bank"), the Administrative may (and at the direction of the Majority Facility Agents, shall) require that the Borrower open new Deposit Accounts with a new Deposit Account Bank having such ratings. Such establishment of new deposit accounts and the execution and delivery of appropriate Deposit Account Control Agreements shall be completed promptly but in any event no later than thirty (30) days following the Administrative Agent's notice. If any Deposit Account remains at the applicable Low Ratings Deposit Account Bank ninety (90) days after the Administrative Agent's delivery of such notice it shall cease to be eligible Deposit Account Bank for all purposes hereunder (but the Administrative Agent shall not be under any obligation to terminate any existing Deposit Account Control Agreements until such time as no Collections are received by such non-eligible bank).

SECTION 6.04. Rights of the Administrative Agent.

(a) Following the occurrence and during the continuation of any Event of Termination, the Administrative Agent (i) shall at the request of the Majority Facility Agents or, at any time during which there are only two Facility Agents, at the request of either Facility Agent, or (ii) may with the consent of the Majority Facility Agents, exercise its right to take exclusive ownership and control of the Collection Account, the Lock-Boxes and the Deposit Accounts (including the Designated Deposit Account), and each of the Borrower and the Servicer hereby agrees to take any further action necessary that the Administrative Agent may reasonably request to effect such control. From and after the date the Administrative Agent exercises its right to take exclusive control of the Collection Account, or if the Collection Account has not been established, the Designated Deposit Account, all withdrawals and distributions to be made from the Collection Account, the Designated Deposit Account or any other Deposit Account by the Servicer hereunder shall be made by the Administrative Agent.

(b) The Borrower hereby grants to the Administrative Agent an irrevocable power of attorney, with full power of substitution, coupled with an interest, to take in the name of the Borrower, following the occurrence and during the continuance of an Event of Termination and the Termination Date has been declared or has automatically occurred pursuant to Section 7.01, any and all steps which are necessary or advisable to endorse, negotiate or otherwise realize on any writing or other right of any kind in connection with any Pool Receivable or other Collateral.

(c) At any time after the Effective Date, the Administrative Agent may, and upon the request of the Majority Facility Agents shall, cause the Collection Account to be established. The Collection Account shall be established in the name of the Administrative Agent at an Eligible Account Bank selected by the Administrative Agent, and the Administrative Agent shall have exclusive dominion and control over the Collection Account and the authority to direct the disposition of the funds in the Collection Account without the consent of the Borrower; provided that until the Administrative Agent provides such instructions to such Eligible Account Bank (in accordance with Section 6.04(a)), such Eligible Account Bank shall be entitled to comply with instructions originated by the Servicer directing disposition of the funds in the Collection Account.

(d) Each of the Borrower and the Servicer hereby authorizes the Administrative Agent (for the benefit of each Lender Group), and irrevocably appoints the Administrative Agent (for the benefit of each Lender Group) as its attorney-in-fact with full power of substitution and with full authority in the place and stead of the Borrower or the Servicer, as applicable, which appointment is coupled with an interest, to take any and all steps in the name of the Borrower or the Servicer, as applicable, and on behalf of the Borrower or the Servicer, as applicable, as may be necessary or desirable, in the reasonable determination of the Administrative Agent to collect any and all amounts or portions thereof due under any and all Collateral, including endorsing the name of the Borrower or the Servicer, as applicable, on all checks and other instruments representing Collections and enforcing such Collateral. Notwithstanding anything to the contrary contained in this subsection, none of the powers conferred upon such attorney-in-fact pursuant to the preceding sentence shall subject such attorney-in-fact to any liability if any action taken by it shall prove to be inadequate or invalid, nor shall they confer any obligations upon such attorney-in-fact in any manner whatsoever. The Administrative Agent shall only be entitled to act as contemplated in this clause (d) while an Event of Termination is continuing or after the Termination Date has been declared pursuant to Section 7.01.

SECTION 6.05. Responsibilities of the Borrower. Anything herein to the contrary notwithstanding, the Borrower shall (i) perform all of its obligations with respect to the Pool Receivables to the same extent as if a security interest in the Pool Receivables had not been granted hereunder and the exercise by the Administrative Agent of its rights hereunder shall not relieve Borrower from such obligations and (ii) pay when due any taxes, including without limitation, sales, excise and personal property taxes payable by it in connection with the Pool Receivables. None of the Administrative Agent, the Facility Agents, the Lenders or the Liquidity Providers shall have any obligation or liability with respect to any Pool Receivables or other Collateral, nor shall any of them be obligated to perform any of the obligations of the Borrower thereunder.

SECTION 6.06. Further Action Evidencing Administrative Agent's Interest. Each of the Borrower and the Servicer agrees that from time to time, at its expense, it will promptly execute and deliver all further instruments and documents, and take all further action that the Administrative Agent, any Lender, any LC Issuer or any Facility Agent may reasonably request in order to perfect, protect or more fully evidence the interest of the Administrative Agent or the Secured Parties granted hereunder or pursuant to any other Facility Document or to enable the Administrative Agent or any LC Issuer to exercise or enforce any of its or any of the Secured Parties' rights hereunder or under any other Facility Document. Without limiting the generality of the foregoing, each of the Borrower and the Servicer will (i) code its master data processing records evidencing such Pool Receivables to evidence that a security interest therein has been granted to the Administrative Agent under this Agreement, and (ii) upon the request of the Administrative Agent, any Lender, any LC Issuer or any Facility Agent, file such financing statements, continuation statements or amendments thereto or assignments thereof, and execute and file such other instruments or notices, as may be necessary or appropriate or as the Administrative Agent, any Lender, any LC Issuer or any Facility Agent may reasonably request. If after the occurrence and during the continuation of any Event of Termination, either the Borrower or the Servicer fails to perform any of its respective agreements or obligations under this Agreement, the Administrative Agent may (but shall not be required to) itself perform, or cause performance of, such agreement or obligation, and the reasonable out-of-pocket expenses of the Administrative Agent incurred in connection therewith shall be payable by the Borrower or the Servicer, as applicable, upon the Administrative Agent's demand therefor.

ARTICLE VII

(m) Any of this Agreement, the Receivables Sale Agreement, the Performance Guaranty, any Subordinated Note, the Fee Letter, the Administrative Agent Fee Letter or the LC Fronting Fee Letter shall cease to be in full force and effect or any of the Borrower, any Originator, the Performance Guarantor or the Servicer shall so assert in writing or otherwise seek to terminate or disaffirm its obligations under any such Facility Document at any time following the execution thereof;

(o) There shall have been filed (i) notice of a Lien from the IRS pursuant to Section 6323 of the Code against any of the Collateral, (ii) notice of a Lien from the PBGC pursuant to Section 430(k) of the Code or Section 303(k) of ERISA against any Transaction Party for a failure to make a required installment or other payment to a Plan to which either of such sections applies, or (iii) a notice of any other Lien the existence of which could reasonably be expected to have a Material Adverse Effect against any Transaction Party and, in each case, such Lien shall not have been released or withdrawn within ten (10) days;

(p) The Borrower (i) shall become a “covered fund” under the Volcker Rule, or (ii) shall become or shall be required to register as an “investment company” or shall become “controlled by an investment company” (or a company required to register as an “investment company”), in each case within the meaning of the Investment Company Act or (iii) no longer be permitted to rely on the exemption set forth in Section 3(c)(5) of the Investment Company Act from the requirement to register as an “investment company” within the meaning of the Investment Company Act;

ARTICLE VIII
INDEMNIFICATION

SECTION 8.01. Indemnities by the Borrower. Without limiting any other rights which any Affected Person may have hereunder or under applicable law (including, without limitation, the right to recover damages for breach of contract), the Borrower hereby agrees to indemnify and hold harmless each Affected Person and their respective Affiliates, agents, employees, officers, and directors (collectively, the "Indemnified Parties"), from and against any and all damages, losses, claims, liabilities and related costs and expenses, including reasonable external attorneys' fees and disbursements and all costs and expenses incurred, including reasonable external attorneys' fees and disbursements, in connection with the enforcement of this provision (all of the foregoing being collectively referred to as "Indemnified Amounts"), awarded against or incurred by such Indemnified Party to the extent relating to or arising from or as a result of this Agreement, the funding, issuing or maintenance of Credit Extensions hereunder, the use of the Letters of Credit, or proceeds of Loans or Releases, or any interest therein, or in respect of any Pool Receivable, Related Security or Contract, or in respect of any other Facility Document subject to the *proviso* set forth below. Without limiting the generality of the foregoing indemnification, the Borrower shall indemnify the Indemnified Parties for Indemnified Amounts to the extent relating to or resulting from any of the following:

(iii) the failure by the Borrower to comply with any term, provision or covenant contained in this Agreement, the Receivables Sale Agreement or any other Facility Document to which it is party or with any applicable law, tariff, rule or regulation with respect to any Pool Receivable, the related Contract, or the Related Security, or the nonconformity of any Pool Receivable, the related Contract or the Related Security with any such applicable law, tariff, rule or regulation;

(vi) the payment by such Indemnified Party of taxes, including, without limitation, any taxes imposed by any jurisdiction on amounts payable and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, to the extent caused by the Borrower's actions or failure to act in breach of this Agreement;

(vii) the failure to vest and maintain vested in the Administrative Agent, on behalf of the Secured Parties, a first priority perfected security interest in the Pool Receivables, together with all Collections, Related Security and other Collateral, free and clear of any Lien except a Lien in favor of any Affected Person, whether existing at the time such Pool Receivable arose or at any time thereafter;

(viii) the failure to file, or any delay in filing, financing statements or other similar instruments or documents under the applicable UCC or other applicable laws naming the Borrower as "Debtor" with respect to any Collateral;

(ix) any dispute, claim, offset or defense (other than as a result of the bankruptcy or insolvency of the related Obligor) of an Obligor to the payment of any Pool Receivable (including, without limitation, a defense based on such Pool Receivable not being a legal, valid and binding obligation of such Obligor enforceable against it in accordance with its terms), or any other claim resulting from the sale of goods or services related to such Pool Receivable or the furnishing or failure to furnish such goods or services (other than as a result of the bankruptcy or insolvency of the related Obligor);

(x) the commingling of Collections with any other funds;

(xi) any failure by the Borrower to give reasonably equivalent value to the Originator in consideration for the transfer by the Originator to the Borrower of any Pool Receivables, or any attempt by any Person to void any such transfer under any statutory provision or common law or equitable action, including, without limitation, any provision of the Bankruptcy Code;

(xii) the failure of any Deposit Account Bank or Payment Processor to remit any amounts or items of payment held in a Deposit Account or in a Lock-Box pursuant to the instructions of the Administrative Agent given in accordance with this Agreement, the applicable Deposit Account Control Agreement, the applicable Lock-Box Control Agreement or the other Facility Documents, whether by reason of the exercise of setoff rights or otherwise;

(xiii) any investigation, litigation or proceeding related to this Agreement, or the use of proceeds of Loans made pursuant to this Agreement or any other Facility Document delivered hereunder or in respect of any of the Collateral;

(xiv) any claim brought by any Person arising from any activity by the Borrower in servicing, administering or collecting any Pool Receivable;

(xv) the grant by the Borrower of a security interest in any Receivable in violation of any applicable law, tariff, rule or regulation;

(xvi) the failure of the Borrower to furnish accurate and complete documentation (including, without limitation, a Contract or invoice) to any Obligor;

(xix) the amendment, modification or termination of any tariff or similar contract governing any Pool Receivable or the activities of the Borrower; or

(xx) the failure of the sale and pledge of any Pool Receivable under the Facility Documents to comply with the requirements of the Federal Assignment of Claims Act or any analogous State or local Laws.

provided, however, that the Borrower shall not be required to indemnify any Indemnified Party to the extent of any amounts (x) resulting from the gross negligence or willful misconduct of such Indemnified Party as determined by final non-appealable judgment of a court of competent jurisdiction; (y) for which indemnification would constitute recourse (except as otherwise specifically provided in this Agreement to be paid by the Borrower hereunder) for uncollectible Receivables; or (z) in respect of Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim. Any amounts subject to the indemnification provisions of this Section 8.01 shall be paid by the Borrower to the related Indemnified Party within five (5) Business Days following demand therefor.

SECTION 8.02. Indemnities by the Servicer. Without limiting any other rights that any Affected Party may have hereunder or under applicable Law, the Servicer hereby agrees to indemnify each Indemnified Party and hold each Indemnified Party harmless from and against any and all Indemnified Amounts arising out of or resulting from a breach by the Servicer of any of its obligations or representations and warranties under this Agreement or any other Facility Document and for Indemnified Amounts to the extent arising out of or resulting from any of the following:

(i) the failure of any Pool Receivable represented by the Servicer to be an Eligible Receivable hereunder (including in any Monthly Report) to be an "Eligible Receivable" at the time of such representation;

(ii) reliance on any representation or warranty made or deemed made by the Servicer under this Agreement or any other Facility Document to which it is a party, which shall have been false or incorrect when made or deemed made;

(iii) the failure by the Servicer to comply with any term, provision or covenant contained in this Agreement, the Receivables Sale Agreement or any Facility Document to which it is party or with any applicable law, tariff, rule or regulation with respect to any Pool Receivable or the Related Security (including, without limitation, the covenants with respect to commingling of Collections set forth in Section 5.04(h));

(iv) the failure of any Payment Processor, Sub-Servicer or any other third party with a contractual relationship with the Servicer or any of its Affiliates for the acceptance or processing of Collections, to remit any Collections received by it to a Lock-Box or a Deposit Account within two (2) Business Days of receipt; or

(v) any action or omission by the Servicer which reduces or impairs the rights or interests of the Administrative Agent, the Facility Agents or any Lender with respect to any Collateral or the value of any Collateral;

(vi) any claim brought by any Person arising from any activity by the Servicer in servicing, administering or collecting any Pool Receivable;

(vii) the failure of any information provided by or on behalf of the Servicer for inclusion in any Monthly Report to be true and correct, or the failure of any other information required to be provided to such Indemnified Party by, or on behalf of, the Servicer to be true and correct;

(viii) the failure to cause the payment when due of any Direct Taxes, energy surcharges or other governmental charges payable by a Transaction Party in connection with the Pool Receivables or the Facility Documents;

(ix) any dispute, claim, offset or defense of the Obligor to the payment of any Pool Receivable in resulting from or related to the collection activities of the Servicer with respect to such Receivable; or

(x) the failure of the Servicer to furnish accurate and complete documentation (including, without limitation, a Contract or invoice) to any Obligor;

provided, however, that the Servicer shall not be required to indemnify any Indemnified Party to the extent of any amounts (x) resulting from the gross negligence or willful misconduct of such Indemnified Party as determined by a final, non-appealable order of a court of law; (y) for which indemnification would constitute recourse (except as otherwise specifically provided in this Agreement to be paid by the Borrower hereunder) for uncollectible Receivables or with respect to an Obligor's financial inability to pay; or (z) in respect of Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim. Any amounts subject to the indemnification provisions of this Section 8.02 shall be paid by the Servicer to the related Indemnified Party within five (5) Business Days following demand therefor. In no event, however, shall the Servicer be liable on any theory of liability for any special, indirect, consequential or punitive damages (including, without limitation, any loss of profits, business or anticipated savings); provided, however, that the forgoing is not intended to limit any obligation of any Transaction Party to reimburse any Indemnified Party hereunder for any special, indirect, consequential or punitive damages which such Indemnified Party is required to pay to any Person.

SECTION 8.03. Limited Liability of Indemnified Parties. No Indemnified Party shall have any liability (whether in contract, tort or otherwise) to Transaction Party or any of their security holders or creditors for or in connection with the transactions contemplated hereby, except to the extent such liability is determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted primarily from such Indemnified Party's gross negligence or willful misconduct or breach of its obligations under this Agreement. In no event, however, shall any Indemnified Party be liable on any theory of liability for any special, indirect, consequential or punitive damages (including, without limitation, any loss of profits, business or anticipated savings).

ARTICLE IX
THE AGENTS

SECTION 9.01. Authorization and Action.

(a) Each Lender, LC Issuer and Facility Agent hereby irrevocably designates and appoints RBC, as the "Administrative Agent" hereunder and authorizes the Administrative Agent to take such actions and to exercise such powers as are delegated to the Administrative Agent hereby and to exercise such other powers as are reasonably incidental thereto. The Administrative Agent shall have no duties or responsibilities except those expressly set forth in this Agreement or in the other Facility Documents. The duties of the Administrative Agent shall be mechanical and administrative in nature. At no time shall the Administrative Agent have any duty or responsibility to any Person to investigate or confirm the correctness or accuracy of any information or documents delivered to it in its role as Administrative Agent hereunder or any obligation in respect of the failure of any Person (other than the Administrative Agent) to perform any obligation hereunder or under any other Facility Document. The Administrative Agent shall not have, by reason of this Agreement, a fiduciary relationship in respect of any Facility Agent, Lender LC Issuer or Transaction Party. Nothing in this Agreement or any of the Facility Documents, express or implied, is intended to or shall be construed to impose upon the Administrative Agent any obligations in respect of this Agreement or any of the Facility Documents except as expressly set forth herein or therein. The Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender, LC Issuer or any Facility Agent with any credit or other information with respect to any Transaction Party or their Affiliates, whether coming into its possession before the Closing Date or at any time or times thereafter.

(b) Each Lender and LC Issuer hereby irrevocably designates and appoints the respective institution identified as the Facility Agent for such Lender's or LC Issuer's Lender Group on the signature pages hereto or in the Joinder Agreement or Assignment and Acceptance pursuant to which such Lender or LC Issuer becomes a party hereto, and each authorizes such Facility Agent to take such action on its behalf under the provisions of this Agreement and to exercise such powers and perform such duties as are expressly delegated to such Facility Agent by the terms of this Agreement, if any, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, no Facility Agent shall have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, LC Issuer or other Facility Agent or the Administrative Agent, and no implied covenants, functions, responsibilities, duties, obligations or liabilities on the part of such Facility Agent shall be read into this Agreement or otherwise exist against such Facility Agent.

(c) Except as otherwise specifically provided in this Agreement, the provisions of this Article IX are solely for the benefit of the Facility Agents, the Administrative Agent, the Lenders and the LC Issuers, and none of the Transaction Parties shall have any rights as a third party beneficiary or otherwise under any of the provisions of this Article IX, except that this Article IX shall not affect any obligations which any Facility Agent, the Administrative Agent, any Lender or any LC Issuer may have to any Transaction Party under the other provisions of this Agreement. Furthermore, no Lender or LC Issuer shall have any rights as a third-party beneficiary or otherwise under any of the provisions hereof in respect of a Facility Agent which is not the Facility Agent for such Lender or LC Issuer.

(d) In performing its functions and duties hereunder, the Administrative Agent shall act solely as the agent of the Lenders, LC Issuers and the Facility Agents and does not assume nor shall be deemed to have assumed any obligation or relationship of trust or agency with or for any Transaction Party or any of their successors and assigns. In performing its functions and duties hereunder, each Facility Agent shall act solely as the agent of its respective Lenders and LC Issuers and does not assume nor shall be deemed to have assumed any obligation or relationship of trust or agency with or for any Transaction Party, any other Facility Agent or the Administrative Agent, or any of their respective successors and assigns.

SECTION 9.02. Agents' Reliance, Etc. (a) Neither the Administrative Agent nor any Facility Agent nor any of their respective directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or such Facility Agent or the Administrative Agent under or in connection with this Agreement, (i) with the consent or at the direction of the Majority Facility Agents (or in the case of any Facility Agent, the Lenders and the LC Issuers within its Lender Group that have a majority of the aggregate Commitments of such Lender Group) or (ii) in the absence of such Person's gross negligence or willful misconduct. Without limiting the generality of the foregoing, each of the Administrative Agent and the Facility Agents: (i) may consult with legal counsel (including counsel for the Performance Guarantor, the Borrower, the Servicer or any other Affiliate of the Performance Guarantor), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (ii) makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations made in or in connection with this Agreement; (iii) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement on the part of the Performance Guarantor, the Borrower, the Servicer or any other Affiliate of Performance Guarantor or to inspect the property (including the books and records) of the Performance Guarantor, the Borrower, the Servicer or any other Affiliate of Performance Guarantor; (iv) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto; and (v) shall incur no liability under or in respect of this Agreement by acting upon any notice (including notice by telephone), consent, certificate or other instrument or writing (which may be by facsimile) believed by it to be genuine and signed or sent by the proper party or parties. The Administrative Agent shall not be responsible to any Lender, LC Issuer, Facility Agent or other Person for (i) any recitals, representations, warranties or other statements made by any Transaction Party or any of their Affiliates, (ii) the value, validity, effectiveness, genuineness, enforceability or sufficiency of any Facility Document, (iii) any failure of any Transaction Party or any of their Affiliates to perform any obligation hereunder or under the other Facility Documents to which it is a party (or under any Contract), or (iv) the satisfaction of any condition specified in Article III.

(b) Each Facility Agent and the Administrative Agent shall in all cases be entitled to rely, and shall be fully protected in relying, upon any document or other writing or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. Each Facility Agent and the Administrative Agent shall in all cases be fully justified in failing or refusing to take any action under any Facility Document unless it shall first receive such advice or concurrence of the Majority Facility Agents (or in the case of any Facility Agent, the Lenders and the LC Issuers within its Lender Group that have a majority of the aggregate Commitment of such Lender Group), and assurance of its indemnification, as it deems appropriate.

(c) The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement in accordance with a request of the Majority Facility Agents, and such request and any action taken or failure to act pursuant thereto shall be binding upon all Lenders, LC Issuers, the Administrative Agent and Facility Agents.

(d) The Lenders and LC Issuers within each Lender Group with a majority of the Commitments of such Lender Group shall be entitled to request or direct the related Facility Agent to take action, or refrain from taking action, under this Agreement on behalf of such Lenders and LC Issuers. Such Facility Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement in accordance with a request of such Lenders and LC Issuers, and such request and any action taken or failure to act pursuant thereto shall be binding upon all of such Facility Agent's Lenders and LC Issuers.

(e) Unless otherwise advised in writing by a Facility Agent or by any Lenders or LC Issuers on whose behalf such Facility Agent is purportedly acting, each party to this Agreement may assume that (i) such Facility Agent is acting for the benefit of each of the Lenders and LC Issuers in respect of which such Facility Agent is identified as being the "Facility Agent" in the definition of "Facility Agent" hereto, as well as for the benefit of each assignee or other transferee from any such Person, and (ii) each action taken by such Facility Agent has been duly authorized and approved by all necessary action on the part of the Lenders and LC Issuers on whose behalf it is purportedly acting. Each Facility Agent and its Lenders and LC Issuers shall agree amongst themselves as to the circumstances and procedures for removal, resignation and replacement of such Facility Agent.

(f) Neither any Facility Agent nor the Administrative Agent shall be deemed to have knowledge or notice of the occurrence of any Advance Suspension Event, Event of Termination or Potential Event of Termination unless the Administrative Agent and the Facility Agents have received notice from any Lender, LC Issuer or a Transaction Party stating that an Advance Suspension Event, an Event of Termination or an Potential Event of Termination has occurred hereunder and describing such Advance Suspension Event, Event of Termination or Potential Event of Termination. In the event that the Administrative Agent receives such a notice, it shall promptly give notice thereof to each Facility Agent whereupon each such Facility Agent shall promptly give notice thereof to its related Lenders and LC Issuers, if applicable. In the event that a Facility Agent receives such a notice (other than from the Administrative Agent), it shall promptly give notice thereof to the Administrative Agent. The Administrative Agent shall take such action concerning an Advance Suspension Event, an Event of Termination or an Potential Event of Termination as may be directed by the Majority Facility Agents (unless such action otherwise requires the consent of all Lenders and LC Issuers), but until the Administrative Agent receives such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, as the Administrative Agent deems advisable and in the best interests of the Lenders and the Facility Agents.

SECTION 9.03. Agents and Affiliates. Each of the Administrative Agent, the Lenders, the LC Issuers and the Facility Agents and any of their respective Affiliates may extend credit to, accept deposits from and generally engage in any kind of banking, trust, debt, equity or other business with any Transaction Party or any of their Affiliates. With respect to the acquisition of the Eligible Receivables pursuant to this Agreement, each of the Facility Agents and the Administrative Agent shall have the same rights and powers under this Agreement as any Lender or LC Issuer and may exercise the same as though it were not such an agent, and the terms “Lender,” “LC Issuer,” “Lenders” and “LC Issuers” shall include, to the extent applicable, each of the Facility Agents and the Administrative Agent in their individual capacities.

SECTION 9.04. Decision to Extend Credit. Each Lender and LC Issuer expressly acknowledges that none of the Administrative Agent, the Facility Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent, or any Facility Agent hereafter taken, including any review of the affairs of any Transaction Party, shall be deemed to constitute any representation or warranty by the Administrative Agent or such Facility Agent, as applicable. Each Lender and each LC Issuer acknowledges that it has, independently and without reliance upon the Administrative Agent, any Facility Agent, any of their respective Affiliates or any other Lender, and based on such documents and information as it has deemed appropriate, made its own evaluation and decision to enter into this Agreement and, if it so determines, to make Credit Extensions hereunder. Each Lender and each LC Issuer also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Facility Agent, any of their respective Affiliates, or any other Lender or LC Issuer, and based on such documents and information as it shall deem appropriate at the time, continue to make its own decisions in taking or not taking action under this Agreement. Except for items specifically required to be delivered hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Facility Agent with any information concerning any Transaction Party or any of their Affiliates that comes into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates.

SECTION 9.05. Delegation of Duties. The Administrative Agent and each Facility Agent may each execute any of its duties under this Agreement by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither the Administrative Agent nor any Facility Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

SECTION 9.06. Indemnification. Each Facility Agent severally agrees to indemnify the Administrative Agent (to the extent not reimbursed by the Borrower, the Servicer, an Originator or the Performance Guarantor), ratably according to its related Lender Group Percentage, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent in any way relating to or arising out of this Agreement or any action taken or omitted by the Administrative Agent under this Agreement; provided, that no Facility Agent shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting or arising from the Administrative Agent's gross negligence or willful misconduct to the extent such gross negligence or willful misconduct is determined by a court of competent jurisdiction in a final and non-appealable decision. Without limitation of the generality of the foregoing, each Facility Agent agrees to reimburse the Administrative Agent, ratably according to its related Lender Group Percentage, promptly upon demand, for any reasonable out-of-pocket expenses (including reasonable counsel fees) incurred by the Administrative Agent in connection with the administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement; provided, that no Facility Agent shall be responsible for the costs and expenses of the Administrative Agent in defending itself against any claim alleging the gross negligence or willful misconduct of the Administrative Agent to the extent such gross negligence or willful misconduct is determined by a court of competent jurisdiction in a final and non-appealable decision.

SECTION 9.07. Successor Agents. The Administrative Agent and each Facility Agent may, upon thirty (30) days' notice to the Borrower, each Lender, each LC Issuer and each other party hereto, resign as Administrative Agent or Facility Agent, as applicable. If any such party shall resign as Administrative Agent or Facility Agent under this Agreement, then, in the case of the Administrative Agent, the Majority Facility Agents, and in the case of any Facility Agent, its related Conduit Lenders, during such thirty-day period shall appoint a successor agent, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent or applicable Facility Agent and references herein to the Administrative Agent or such Facility Agent shall mean such successor agent, effective upon its appointment; and such former Administrative Agent's or Facility Agent's rights, powers and duties in such capacity shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or Facility Agent or any of the parties to this Agreement. After any retiring Administrative Agent's or Facility Agent's resignation hereunder as such agent, the provisions of Article VIII, this Article IX and Section 10.09 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent or a Facility Agent under this Agreement.

ARTICLE X MISCELLANEOUS

SECTION 10.01. Amendments, Etc.

(a) No waiver of any provision of this Agreement nor consent to any departure by the Borrower or the Servicer therefrom shall in any event be effective unless the same shall be in writing and signed by the Administrative Agent and each Facility Agent, or Lender and LC Issuer, required to amend the relevant provision pursuant to Section 10.01(b) hereof, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(b) No amendment to this Agreement shall be effective unless the same shall be in writing and signed by each of the Borrower, the Servicer, the Administrative Agent and the Majority Facility Agents, provided, however, that, without the written consent of each affected Lender and each affected LC Issuer, no such amendment shall (i) extend the Termination Date, (ii) extend the date of any payment or deposit of Collections by the Borrower or by the Servicer or the time of payment of Interest, (iii) release the security interest in or transfer all or any material portion of the Collateral, (iv) change the outstanding Principal Balance of any of the Loans made by any Lender hereunder other than as provided herein, (v) change the amount of any Lender Group Limit, Commitment or LC Commitment other than as provided herein or increase the Facility Limit hereunder, (vi) increase the Concentration Limit, (vii) amend, modify or waive any provision of the definitions of “Eligible Receivables”, “Majority Facility Agents”, “Net Receivables Balance,” “Total Reserve Amount,” “Borrowing Base”, “Borrowing Base Deficiency,” “Period,” “Majority Facility Agents,” “Final Maturity Date” or any of the defined terms used in such definitions or this Section 10.01, (viii) consent to or permit the assignment or transfer by the Borrower or any of its rights and obligations under this Agreement or of any of its right, title or interest in or to the Pool Receivables, (ix) amend or modify any provision of Section 7.01 or Section 10.03, (x) terminate the Performance Guaranty and/or release the Performance Guarantor from its obligations thereunder, (xi) reduce any Fees payable to any Lender or Facility Agent pursuant to the Fee Letter or any Interest payable to any Lender hereunder, or (xii) modify any defined term (or any defined term used directly or indirectly in such defined term) used in clauses (i) through (xi) above in a manner which would circumvent the intention of the restrictions set forth in such clauses.

(iii) Notwithstanding anything to the contrary herein, to the fullest extent permitted by Law, no Facility Agent that has a Committed Lender in its Lender Group that is currently a Defaulting Committed Lender and no Committed Lender that is currently a Defaulting Committed Lender, shall be entitled to vote in respect of waivers, amendments or modifications to any Facility Document and the Commitment and the outstanding Loans or other extensions of credit of such Defaulting Committed Lender hereunder shall not be taken into account in determining whether the Majority Facility Agents or all of the Lenders or any other class of Lenders, as required by this Section 10.01 or otherwise, have approved any such waiver, amendment or modification (and the definition of “Majority Facility Agents” will automatically be deemed modified accordingly for the duration of such period); provided that any such waiver, amendment or modification that would increase or extend the term of the Commitment of such Defaulting Committed Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Committed Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Committed Lender, reduce the amount of or the rate or amount of interest on any amount owing to such Defaulting Committed Lender or of any fee payable to such Defaulting Committed Lender hereunder, or alter the terms of this proviso, shall require the prior written consent of such Defaulting Committed Lender.

SECTION 10.02. Notices, Etc. All notices and other communications provided for hereunder shall, unless otherwise stated herein, be in writing (including communication by facsimile copy or other electronic transmission) and shall be personally delivered or sent by registered mail, return receipt requested, or by courier or by facsimile or other electronic transmission, to each party hereto, at its address set forth on Schedule II hereof or at such other address as shall be designated by such party in a written notice to the other parties hereto. All such notices and communications shall be effective, upon receipt, or in the case of overnight courier, two (2) days after being deposited with such courier, or, in the case of notice by facsimile or other electronic transmission, when electronic confirmation of receipt is obtained, in each case addressed as aforesaid.

SECTION 10.03. Assignments; Participations.

(a) Participations. Except as otherwise specifically provided herein, any Lender may sell to one or more Persons (each a "Participant") participating interests in the Loans of such Lender hereunder. Such Lender shall remain solely responsible for performing its obligations hereunder, and the Borrower, the Servicer, each Facility Agent and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations hereunder. A Lender shall not agree with a Participant to restrict such Lender's right to agree to any amendment hereto, except amendments that require the consent of all Lenders. Any such Participant shall not have any rights hereunder or under the Facility Documents. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.12 and 2.13 (subject to the requirements and limitations therein and subject to such Participant's compliance with the requirements of Section 2.14) to the same extent as if it were a Lender and acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant shall not be entitled to receive any greater payment under Sections 2.12 or 2.13, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a change in Law that occurs after the Participant acquired the applicable participation.

Each Lender (or its Facility Agent on its behalf) that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of its Participants and the amounts of each such Participant's interest in any Loans, Commitments or other rights or obligations hereunder (the "Participant Register"); provided that no Lender or Facility Agent shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in such Loans, Commitments or other rights or obligations hereunder) to any Person except to the extent that such disclosure is necessary to establish that such Loans, Commitments or other rights or obligations hereunder are in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(b) Assignments by Committed Lenders. Any Committed Lender may assign to one or more Persons (each a “Purchasing Committed Lender”), reasonably acceptable to the Administrative Agent, each LC Issuer and the related Facility Agent in their sole discretion, any portion of its Commitment pursuant to an Assignment and Acceptance with any changes as have been approved by the parties thereto, executed by each such Purchasing Committed Lender, such selling Committed Lender, such related Facility Agent and the Administrative Agent and with the consent of the Borrower (provided, that the consent of the Borrower shall not be unreasonably withheld or delayed and that no such consent shall be required if an Event of Termination has occurred and is continuing; provided, further, that no consent of the Borrower shall be required if the assignment is made by any Committed Lender to the Administrative Agent, to any other Committed Lender, to any Affiliate of the Administrative Agent or any Committed Lender or to any Program Support Provider). Any such assignment by a Committed Lender cannot be for an amount less than \$10,000,000. Upon (i) the execution of the Assignment and Acceptance with any changes as have been approved by the parties thereto, (ii) delivery of an executed copy thereof to the Borrower, the Servicer, such related Facility Agent and the Administrative Agent and (iii) payment by the Purchasing Committed Lender to the selling Committed Lender of the agreed purchase price, if any, such selling Committed Lender shall be released from its obligations hereunder to the extent of such assignment and such Purchasing Committed Lender shall for all purposes be a Committed Lender party hereto and shall have all the rights and obligations of a Committed Lender hereunder to the same extent as if it were an original party hereto. The amount of the Commitment of the selling Committed Lender allocable to such Purchasing Committed Lender shall be equal to the amount of the Commitment of the selling Committed Lender transferred regardless of the purchase price, if any, paid therefor. The Assignment and Acceptance shall be an amendment hereof only to the extent necessary to reflect the addition of such Purchasing Committed Lender as a “Committed Lender” and any resulting adjustment of the selling Committed Lender’s Commitment.

(c) Assignments to Liquidity Providers and other Program Support Providers. Any Conduit Lender may at any time grant to one or more of its Liquidity Providers or other Program Support Providers, participating interests in its Loans. In the event of any such grant by such Conduit Lender of a participating interest to a Liquidity Provider or other Program Support Provider, such Conduit Lender shall remain responsible for the performance of its obligations hereunder. The Borrower agrees that each Liquidity Provider and Program Support Provider of any Conduit Lender hereunder shall be entitled to the benefits of Sections 2.12 and 2.13 (subject to the requirements and limitations therein and subject to such Participant’s compliance with the requirements of Section 2.14) and Article VIII.

(d) Other Assignments by Conduit Lenders. Each party hereto agrees and consents (i) to any Conduit Lender’s assignment, participation, grant of security interests in or other transfers of any portion of, or any of its beneficial interest in, its Loans (or, in each case, any portion thereof), including without limitation to any collateral agent in connection with its commercial paper program and (ii) to the complete assignment by any Conduit Lender of all of its rights and obligations hereunder to any other Person, including any Affiliate of its Facility Agent, any Lender in its Lender Group or the Administrative Agent, and upon such assignment such Conduit Lender shall be released from all obligations and duties, if any, hereunder; provided, that such Conduit Lender may not, without the prior consent of its Committed Lenders and the Administrative Agent, make any such transfer of its rights hereunder unless the assignee (x) is a commercial paper conduit that (i) is principally engaged in the purchase of assets similar to the assets being purchased hereunder, (ii) has as its Facility Agent the Facility Agent or an Affiliate thereof of the assigning Conduit Lender, (iii) issues commercial paper or other notes with credit ratings substantially comparable to the ratings of the assigning Conduit Lender and (iv) has been consented to by the Borrower (provided, that (1) the consent of the Borrower shall not be unreasonably withheld or delayed, (2) no such consent shall be required if an Event of Termination has occurred and is continuing and (3) no such consent shall be required if such assignee (x) is another commercial paper conduit administered by the same Program Administrator or an Affiliate thereof) or (y) is a Committed Lender, Liquidity Provider or Program Support Provider for such Conduit Lender. Any assigning Conduit Lender shall deliver to any assignee an Assignment and Acceptance with any changes as have been approved by the parties thereto, duly executed by such Conduit Lender, assigning any portion of its Loans to its assignee. Such Conduit Lender shall promptly (i) notify each of the other parties hereto of such assignment and (ii) take all further action that the assignee reasonably requests in order to evidence the assignee’s right, title and interest in such interest in the its Loans, and to enable the assignee to exercise or enforce any rights of such Conduit Lender hereunder. Upon the assignment of any portion of its interest in its Loans, the assignee shall have all of the rights hereunder with respect to such interest (except that the Interest therefor shall thereafter accrue at the CP Rate determined with respect to the assigning Conduit Lender unless the Borrower, the related Facility Agent and the assignee shall have agreed upon a different Interest Rate).

(e) Register. The Administrative Agent, acting as non-fiduciary agent for the Borrower (such agency being solely for Tax purposes) and each Affected Person and its successors and assigns, to the extent such Person has Loans or Interest owing thereto), shall maintain at an office of the Administrative Agent, a copy of each Assignment and Acceptance delivered to and accepted by it hereunder and a register for the names and addresses of the Lenders, the Commitment of each Lender Group and the aggregate outstanding Loans and Interest and other amounts owing to each Lender or other Affected Person from time to time (and such other Affected Person) (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Servicer, the Lenders, and such other Affected Persons shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower, any Facility Agent and any Lender (and any such other Affected Person) at any reasonable time and from time to time upon reasonable prior notice. Each Lender (and each such other Affected Person) that assigns or transfers all or part of its Loans, shall be required to provide the Administrative Agent with notice of such assignment in order for such assignee’s interests in the Loans to be reflected in the Register. Each assignor may, in connection with any permitted assignment, disclose to the applicable assignee (that shall have agreed to be bound by Section 10.12) any information relating to any Originator, the Servicer, the Borrower, the Performance Guarantor or the Pool Receivables furnished to such assignor by or on behalf of such Originator, the Servicer, the Borrower, the Performance Guarantor, any Lender or the Administrative Agent.

(f) Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to mean the successors and assigns of such party; all covenants, promises and agreements by or on behalf of any parties hereto that are contained in this Agreement shall bind and inure to the benefit of the parties hereto and their respective successors and assigns. Notwithstanding the foregoing, neither of the Borrower or the Servicer may assign its rights or delegate its obligations hereunder or under any other Facility Document or any interest herein or under any other Facility Document, in each case, without the prior written consent of the Administrative Agent and each Facility Agent.

(g) Enforcement By Agents. Without limiting any other rights that may be available under applicable Law, the rights of the Administrative Agent, each Facility Agent and each Lender may be enforced through it or by its agents.

(h) Certain Pledges. Without limiting the right of any Lender to sell or grant interests, security interests or participations to any Person as otherwise described in this Section 10.03, any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement, any portion of its interest in its Loans to secure its obligations as a Lender hereunder, including any pledge or assignment to secure obligations to a Federal Reserve Bank, the United States Treasury, the Federal Deposit Insurance Corporation or a security trustee in connection with the funding by such Lender of Purchases without notice to or consent of the Borrower, the Performance Guarantor or any other Person; provided that no such pledge or grant of a security interest shall release such Lender from any of its obligations hereunder or substitute any such pledgee or grantee for such Lender as a party hereto.

SECTION 10.04. Additional Lender Groups. With the written consent of the Administrative Agent, upon the Borrower's request, an additional Lender Group may be added to this Agreement at any time by the execution and delivery of a Joinder Agreement by the members of such proposed additional Lender Group, the Borrower, the Servicer, the Performance Guarantor, the Administrative Agent and each of the Facility Agents, which execution and delivery shall not be unreasonably refused by such parties. Upon the effective date of such Joinder Agreement, (i) each Person specified therein as a "Conduit Lender" shall become a party hereto as a Conduit Lender, entitled to the rights and subject to the obligations of a Conduit Lender hereunder, (ii) each Person specified therein as a "Committed Lender" shall become a party hereto as a Committed Lender, entitled to the rights and subject to the obligations of a Committed Lender hereunder, (iii) each Person specified therein as a "Facility Agent" shall become a party hereto as a Facility Agent, entitled to the rights and subject to the obligations of a Facility Agent hereunder, (iv) each Person specified therein as an "LC Issuer" shall become a party hereto as an LC Issuer, entitled to the rights and subject to the obligations of an LC Issuer hereunder, (v) the LC Sublimit shall be increased by an amount equal to the aggregate LC Commitments of the LC Issuers party to the Joinder Agreement, and (vi) the Facility Limit shall be increased by an amount equal to the aggregate Commitments of the Committed Lenders party to such Joinder Agreement.

SECTION 10.05. Consent to Jurisdiction.

(a) Each party hereto hereby irrevocably submits to the non-exclusive jurisdiction of any New York State or Federal court sitting in New York City in any action or proceeding arising out of or relating to this Agreement, and each party hereto hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York State court or, to the extent permitted by law, in such Federal court. The parties hereto hereby irrevocably waive, to the fullest extent they may effectively do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. The parties hereto agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Each of the Borrower and the Servicer consents to the service of any and all process in any such action or proceeding by the mailing of copies of such process to it at its address specified in Section 10.02. Nothing in this Section 10.05 shall affect the right of any Lender or the Administrative Agent to serve legal process in any other manner permitted by law.

SECTION 10.06. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT OR ANY OTHER FACILITY DOCUMENT.

SECTION 10.07. Right of Setoff. Each Lender and each LC Issuer is hereby authorized (in addition to any other rights it may have) at any time any Borrower Obligation hereunder is due and payable, to set off, appropriate and apply (without presentment, demand, protest or other notice which are hereby expressly waived) any deposits and any other indebtedness held or owing by such Lender or such LC Issuer to, or for the account of, the Borrower against the amount of the Borrower Obligations owing by the Borrower to such Person. Each Lender and each LC Issuer is hereby authorized (in addition to any other rights it may have) at any time that any payment obligation of the Servicer hereunder is due and payable, to set off, appropriate and apply (without presentment, demand, protest or other notice which are hereby expressly waived) any deposits and any other indebtedness held or owing by such Lender or such LC Issuer to, or for the account of, the Servicer against the amount of such obligations owing by the Servicer to such Person.

SECTION 10.08. Ratable Payments. If any Lender or any LC Issuer, whether by setoff or otherwise, has payment made to it with respect to any Borrower Obligations or obligation of the Servicer in a greater proportion than that received by any other Lender or any other LC Issuer entitled to receive a ratable share of such amount, such Lender or such LC Issuer, as applicable, agrees, promptly upon demand, to purchase for cash without recourse or warranty a portion of such Borrower Obligations or Servicer obligation held by the other Lenders or the other LC Issuers so that after such purchase each Lender will hold its ratable proportion of such Borrower Obligations or Servicer obligations, as applicable; provided that if all or any portion of such excess amount is thereafter recovered from such Lender or such LC Issuer, as applicable, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

SECTION 10.09. Limitation of Liability.

(a) No claim may be made by any Transaction Party or any other Person against any Lender, any LC Issuer, any Facility Agent, the Administrative Agent or their respective Affiliates, directors, officers, employees, attorneys or agents for any special, indirect, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement or any other Facility Document, or any act, omission or event occurring in connection herewith or therewith; and each of the Borrower and the Servicer hereby waives, releases, and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(b) Notwithstanding anything to the contrary contained herein, the obligations of the Conduit Lenders under this Agreement are solely the corporate obligations of each such Conduit Lender and shall be payable only at such time as funds are actually received by, or are available to, such Conduit Lender in excess of funds necessary to pay in full all outstanding Commercial Paper Notes issued by such Conduit Lender and, to the extent funds are not available to pay such obligations, the claims relating thereto shall not constitute a claim against such Conduit Lender. Each party hereto agrees that the payment of any claim (as defined in Section 101 of Title 11 of the Bankruptcy Code) of any such party shall be subordinated to the payment in full of all Commercial Paper Notes.

(c) No recourse under any obligation, covenant or agreement of any Conduit Lender contained in this Agreement shall be had against any incorporator, stockholder, officer, director, member, manager, employee or agent of such Conduit Lender or any of its Affiliates (solely by virtue of such capacity) by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that this Agreement is solely a corporate obligation of such Conduit Lender, and that no personal liability whatever shall attach to or be incurred by any incorporator, stockholder, officer, director, member, manager, employee or agent of any Conduit Lender or any of its Affiliates (solely by virtue of such capacity) or any of them under or by reason of any of the obligations, covenants or agreements of such Conduit Lender contained in this Agreement, or implied therefrom, and that any and all personal liability for breaches by any Conduit Lender of any of such obligations, covenants or agreements, either at common law or at equity, or by statute, rule or regulation, of every such incorporator, stockholder, officer, director, member, manager, employee or agent is hereby expressly waived as a condition of and in consideration for the execution of this Agreement; provided that the foregoing shall not relieve any such Person from any liability it might otherwise have as a result of fraudulent actions taken or fraudulent omissions made by them.

SECTION 10.10. Costs, Expenses and Taxes.

(a) In addition to the rights of indemnification under Article VIII hereof, the Borrower agrees to pay to the Administrative Agent and each Facility Agent within ten (10) days after demand thereof (i) all reasonable costs and expenses incurred in connection with the periodic auditing of the Borrower and the Servicer pursuant to Section 5.01(c), 5.04(c) or 5.04(d) of this Agreement, (ii) all reasonable costs and expenses of the Administrative Agent and each Facility Agent in connection with the preparation, execution and delivery (including any requested amendments, waivers or consents) of this Agreement and the other documents to be delivered hereunder, including, without limitation, all pre-closing due diligence expenses and the reasonable fees and out-of-pocket expenses of special counsel for the Administrative Agent and each Facility Agent with respect thereto and with respect to advising the Administrative Agent and each Facility Agent and the related Lenders as to their respective rights and remedies under this Agreement, and the other agreements executed pursuant hereto and (iii) all costs and out-of-pocket expenses (including fees and expenses of outside counsel), incurred by the Administrative Agent and each Facility Agent in connection with any amendment to any of the Facility Documents after the Effective Date and the enforcement of this Agreement and the other agreements and documents to be delivered hereunder after the occurrence of an Event of Termination.

(b) In addition, the Borrower shall pay any fees (including, without limitation, UCC filing fees and any penalties associated with the late payment of any UCC filing fees) payable or determined to be payable in connection with the execution, delivery, filing and recording of this Agreement or the other agreements and documents to be delivered hereunder (including any UCC financing statements) and agrees to indemnify the Administrative Agent, the Facility Agents, the Lenders and the Liquidity Providers against any liabilities with respect to or resulting from any delay by the Borrower in paying or omission to pay fees.

SECTION 10.11. No Proceedings. The Borrower, the Servicer, each Lender, each LC Issuer, each Facility Agent and the Administrative Agent each hereby agrees that it will not institute against any Conduit Lender any proceeding of the type referred to in Section 7.01(e), until one year and one day after the last outstanding Commercial Paper Note issued by such Conduit Lender has been paid in full.

SECTION 10.12. Confidentiality.

Each of the Borrower and the Servicer agrees (i) not to post to a website or publish or otherwise distribute to any other Person this Agreement and the other Facility Documents and (ii) to maintain the confidentiality of the information in this Agreement and the other Facility Documents relating to upfront fees and pricing in communications with third parties and otherwise; provided, that the Facility Documents and such information may be disclosed (a) to third parties to the extent such disclosure is made pursuant to a written agreement of confidentiality in form and substance reasonably satisfactory to the Administrative and each Facility Agent; (b) as required by the rules of any stock exchange; (c) to legal counsel, accountants and auditors for the Borrower and the Performance Guarantor if such counsel, accountants and auditors agree to hold it confidential or are otherwise under a professional duty to maintain the confidentiality of such information, (d) as required or requested by Law, rule, regulation, court order, subpoena, or other legal process, as reasonably determined by the Borrower (which may be in consultation with its internal or external legal counsel) and (e) if required in connection with any litigation or dispute between the parties hereto (provided that the Borrower and the Servicer will use reasonable efforts to obtain confidential treatment for such information in connection with such litigation or dispute).

The Administrative Agent, the Facility Agents, the Lenders and the LC Issuers agree to maintain the confidentiality of the Facility Documents (including pricing hereunder and thereunder) and any other non-public information regarding the Performance Guarantor, the Borrower, the Originators, the Servicer and their Affiliates; provided, that such information may be disclosed (i) to third parties to the extent such disclosure is made pursuant to a written agreement of confidentiality in form and substance reasonably satisfactory to the Borrower and the Performance Guarantor; (ii) to legal counsel, accountants and auditors of the Facility Agents, the Lenders, the LC Issuers or the Administrative Agent if such counsel, accountants and auditors agree to hold it confidential or are otherwise under a professional duty to maintain the confidentiality of such information; (iii) to any assignee or participant or potential assignee or participant (if it agrees to abide by the terms of this Section 10.12); (iv) to any regulatory or governmental authorities having jurisdiction, or claiming to have jurisdiction, over the Administrative Agent, any Facility Agent, any Lender, any LC Issuer or any Participant, (v) as required or requested by law, rule, regulation, court order, subpoena, or other legal process, (vi) as required in connection with any litigation or dispute or in connection with the exercise of any rights or remedies under the Facility Documents (provided that the Administrative Agent, the Facility Agents, the Lender and the LC Issuers will use reasonable efforts to obtain confidential treatment for such information in connection with such litigation or dispute), (vii) to any nationally recognized statistical rating organization as contemplated by Section 17g-5 of the Securities Exchange Act of 1934, (viii) to investors in Commercial Paper Notes (including potential investors in Commercial Paper Notes) as required by regulatory authorities and (ix) to any Liquidity Providers, Program Support Providers or equity investors in any Conduit Lender who agree to keep it confidential.

SECTION 10.13. No Waiver; Remedies. No failure on the part of the Administrative Agent, any Facility Agent, any LC Issuer, any Lender or any Liquidity Provider to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 10.14. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE CONFLICT OF LAW PRINCIPLES THEREOF (EXCEPT FOR SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW).

SECTION 10.15. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement. Delivery of an executed signature page of this Agreement by facsimile or other electronic transmission (including electronic PDF, DocuSign, Adobe “fill and sign” or such other provider as specified in writing by the applicable party) shall be effective as delivery of a manually executed counterpart hereof and shall be fully binding on the parties to the same extent as the delivery of the signed originals and shall be admissible into evidence for all purposes. The words “execution,” “execute,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Electronic Signatures in Global and National Commerce Act of 2000, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act. Notwithstanding the foregoing, if any party shall request manually signed counterpart signatures to this Agreement, each of the other parties hereby agrees to provide such manually signed signature pages as soon as commercially reasonable.

SECTION 10.16. Integration; Binding Effect; Survival of Termination. This Agreement and the other Facility Documents executed by the parties hereto on the date hereof contain the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter hereof superseding all prior oral or written understandings. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns (including any trustee in bankruptcy). Any provisions of this Agreement which are prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. This Agreement shall create and constitute the continuing obligations of the parties hereto in accordance with its terms and shall remain in full force and effect until the Final Collection Date; provided, however, that the provisions of Section 2.12, 2.13, 2.14 and Article VIII and IX, and the provisions of Sections 10.05, 10.06, 10.09, 10.10, 10.11, 10.12 and 10.14 shall survive any termination of this Agreement.

SECTION 10.17. Patriot Act. Each Lender and LC Issuer hereby notifies the Borrower, each Originator, the Servicer and the Performance Guarantor that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each of the Borrower, each Originator, the Servicer and the Performance Guarantor, which information includes the name and address of each of the Borrower, each Originator, the Servicer and the Performance Guarantor and other information that will allow such Lender or LC Issuer to identify each of the Borrower, each Originator, the Servicer and the Performance Guarantor in accordance with the Patriot Act.

SECTION 10.18. Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in this Agreement or any other Facility Document, each party hereto acknowledges that any liability of any EEA Financial Institution arising under this Agreement or any other Facility Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Facility Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

SECTION 10.19. Acknowledgement Regarding Any Supported QFCs. To the extent that the Facility Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Facility Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Facility Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Facility Documents were governed by the laws of the United States or a state of the United States.

(b) As used in this Section 9.18, the following terms have the following meanings:

- (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“Swap Contract” means (a) any and all rate swap transactions, basis swaps, credit derivative transactions, forward rate transactions, commodity swaps, commodity options, forward commodity contracts, equity or equity index swaps or options, bond or bond price or bond index swaps or options or forward bond or forward bond price or forward bond index transactions, interest rate options, forward foreign exchange transactions, cap transactions, floor transactions, collar transactions, currency swap transactions, cross-currency rate swap transactions, currency options, spot contracts, or any other similar transactions or any combination of any of the foregoing (including any options to enter into any of the foregoing), whether or not any such transaction is governed by or subject to any master agreement, and (b) any and all transactions of any kind, and the related confirmations, that are subject to the terms and conditions of, or governed by, any form of master agreement published by the International Swaps and Derivatives Association, Inc., any International Foreign Exchange Master Agreement, or any other master agreement (any such master agreement, together with any related schedules, a “Master Agreement”), including any such obligations or liabilities under any Master Agreement.
